Comment: Please note that Allstate Indemnity has rules on file which do not accommodate non-binary drivers.

Effective 7/1/2020, SB 246 was enacted and allows individuals to choose a non-binary (gender neutral) designation on their driver’s license. Virginia Code § 38.2-2213 prohibits insurers from refusing to issue coverage based on gender identity. Since the company currently includes rates based on male or female, it does not appear that the company currently has a rating rule on file for individuals that identify as non-binary. This could result in penalties or fines for failure to have an appropriate rating rule on file. Please submit this information as soon as possible.

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov or 804-371-9330.
