Filing Description:

With this filing, Allstate is proposing revisions to the Model Year Factors for the Allstate Indemnity Company (AI) Private Passenger Auto (PPA) program in the Commonwealth of Virginia. As stated in the rules, this change will automatically take place on October 1 each calendar year. Therefore, this is only a clarification to the manual rate pages; it reflects the currently approved process.

The rate level impact of this change is 0.0%. Further information regarding this change can be found in the enclosed attachments.

This change will apply to new business written on or after October 01, 2023 and for renewals effective on or after October 01, 2023.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/re-write is necessary.
