### Filing Description:

Based on objections from the state related to some of Allstate's accompanying filings for different books of business (SERFF Filing Numbers ALSE-133649222, ALSE-133649154, ALSE-133649395, and ALSE- 133649345), Allstate has amended this filing. In addition, updates to this filing are being made based on the final approved ISO forms. Please see the attached amended filing documents.

With this filing, Allstate has updated the Pricing Rules and Rates Manuals for the Allstate Insurance Company (AIC) Manufactured Home program in the Commonwealth of Virginia in response to the enactment of Chapter 341 of Title 14 of the Virginia Administrative Code entitled "Rules Governing Standards for the Content of Dwelling Property Insurance Policies" and Chapter 342 of Title 14 of the Virginia Administrative Code entitled "Rules Governing Standards for the Content of Homeowners Insurance Policies".

Allstate has analyzed the impact of updating the various contract provisions in this filing where possible and expects that the combined impact of these changes will be negligible. However, for some of the contract changes, Allstate does not believe that the effects can be credibly quantified, so Allstate will not be adjusting rates in response to these changes at this time but will continue to monitor the adequacy and appropriateness of the rate level going forward. Allstate insureds in the Commonwealth of Virginia will not see an overall rate level offset to their manufactured home policy as a result of the coverage adjustments required by Chapters 341 and 342.

Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to all business effective on or after November 28, 2024.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/ re-write is necessary.
