Filing Description:

In response to a Market Conduct Examination performed by the Bureau of Insurance, Allstate committed to revising its Rules pages in order to clarify how Roof Square Footage is determined for use in rating. Allstate also committed to revising its Rules pages in order to clarify the Town Class assignment in a situation where distance to an approved water source is unknown/unavailable. With this filing, those details have been added to the Roof Score Group and Town Class rules, respectively. Please see the revised Manual for the details.

Rules being updated are:

Rule 13 – Assignment of Town Class

Rule 30 – Roof Score Group

Please note that this is a clerical Rule revision and does not impact the rating of policies, but effective dates for the Rule change are being provided. This change will apply to all new business written and all renewals processed on or after 4/5/2024.
