Filing Description:

We are submitting our combination of ISO forms, modified ISO forms, and proprietary forms for compliance with the changes stemming from the recent law change in Virginia regarding Fire Insurance.

This filing includes a reference table for the reviewers indicating which form is an ISO form, modified from ISO, and proprietary. All forms have been reassigned an Allstate-specific form number regardless of that form being proprietary or ISO. Most proprietary forms are based on previously approved Allstate forms.

This filing was worked on prior to the objections received for the previous filing. As such, many of the changes requested in those objections may still hold into these forms. We apologize for any duplication of work, and we are already working on ensuring the changes from those objections will be reflected in these forms.

Objection Letter

Objection Letter Status	Info requested from Company
Objection Letter Date	05/12/2024
Submitted Date	05/13/2024
Respond By Date	05/24/2024

Dear Deborah Larsen,

Introduction:

Thank you for the company's time and objection responses submitted on 04/26/2024. Please review the following which requires the company's attention.

Objection 1

Comments: All forms and endorsements which contain more than 2 pages must be amended to include pages numbers.

Objection 2

Comments: The company has detailed both on the forms guide and in the filing type, this filing pertains to a homeowners program. If this is still correct, please amend the filing to include AVP579 as the base form.

Currently AVP580 has been added to the filing as the base form.

Objection 3

- Building Structure Replacement Cost Extended Limits Endorsement, AVP607, N/A (Form)

Comments: Please reference the company's endorsement AVP581. The company has only amended 2.a.(1) currently within the two building structure endorsements, which then leaves 2.a., b. and c. still in AVP 581.

The company appears to be removing the threshold of 80% insurance to value requirement, which is acceptable, to provide the insured the coverage for up to 120%. The company may retain the 100% requirement for this broadened coverage in A. but must correctly remove the conflicting sections from AVP 581.

The order of attachment must work so the percentages outlined in AVP 581 are not applicable when this endorsement is attached.

Objection 4

- Dwelling in the Course of Construction Endorsement, AVP610, N/A (Form)

Comments: This amendment is required. The Bureau will proceed with disapproval of the entire filing if the amendment is not made. When the company issues a policy on a dwelling which is in the course of construction, the dwelling limit of coverage must be the Coverage A amount for which the company has taken premium for.

The company may not place the amount of insurance on a sliding scale in proportion to the completed construction amount. The endorsement must be amended to remove this provision. This is a required change.

Conclusion:

Sincerely,
Jessica Baggarley

Dear Deborah Larsen,

Introduction:

Thank you for the company's time and submission received on 03/28/2024. Please review the following which requires the company's attention per the minimum standards set forth in Chapter 342 of Title 14 of the Virginia Administrative Code. Please note the company may not deem this filing approved until the Bureau concludes their review.

Objection 1

Comments: Please see ALSE-134003102 for all endorsement objections which are applicable to the same endorsements filed under Allstate Indemnity Co- homeowners.

The company will be receiving additional objections under ALSE-134003102 which will require amendment of the same endorsements outlined in this filing.

Objection 2

- Broadened Water Backup and Sump Discharge or Overflow Coverage, AVP594, N/A (Form)

Comments: Remove from A.E. in the first paragraph, 'not caused by the negligence of an insured.'

B. Section-1-Perils insured against must be amended to remove the mention of all coverage forms which will not be applicable in any of the Allstate Group's underwriting companies. For example, at this time the HO 00 05 form has not been adopted. The mention of the same should be removed from the form.

Objection 3

- Credit Card, Electronic Fund Transfer Card or Access Device, Forgery and Counterfeit Money Coverage, AVP643, N/A (Form)

Comments: It does not appear the company has noted the HO 00 04 form will be utilized in any of the Allstate Group filings to date. Please remove the mention of the form from this endorsement.

Objection 4

- Form Guide (Supporting Document)

Comments: Please confirm if this is the final and complete forms list which will be used with this program.

Conclusion:

Please feel free to reach out to myself if there is anything I can assist with: jessica.baggarley@scc.virginia.gov.

Sincerely,

Jessica Baggarley

Request to Change Effective Dates

Comments:

Good afternoon, Jessica.

We appreciate the partnership from the bureau in reviewing Allstate's pricing and contract filings to comply with the law changes. As we continue to work internally with systems and technology, we will need to move the effective date back to 11/28/24 to ensure that changes are implemented accurately to comply with the law and provide a positive customer experience for our policyholders. I have submitted a Post Submission Update reflecting the new dates.

Please contact me if you have questions or need additional information.

Respectfully,

Deborah Larsen
