Filing Description:

We are submitting our combination of ISO forms, modified ISO forms, and proprietary forms for compliance with the changes stemming from the recent law change in Virginia regarding Fire Insurance.

This filing includes a reference table for the reviewers indicating which form is an ISO form, modified from ISO, and proprietary. All forms have been reassigned an Allstate-specific form number regardless of that form being proprietary or ISO. Most proprietary forms are based on previously approved Allstate forms.

This filing was worked on prior to the objections received for the previous filing. As such, many of the changes requested in those objections may still hold into these forms. We apologize for any duplication of work, and we are already working on ensuring the changes from those objections will be reflected in these forms.

Response 2

Comments:

The company offers AVP593 in Condo, Allstate Indemnity Company which satisfies the coverage requirement in §38.2-2120 as this matches what is currently offered to customers in this book of business.

Please consider AVP585, AVP587, and AVP588 for this filing as we wish to withdraw AVP612, AVP613, and AVP614 for consideration here. The three mentioned better fit the Condo line coverage references as 612, 613, and 614 are better suited for home lines.

AVP584 is noted in the Filing Guide spreadsheet provided as well as included in this response.

Comments: The forms guide must be amended to outline AVP594 will be offered with the condo program. This endorsement provides the offer of coverage as required by §38.2-2120.

The guide appears to also require amendment to include the corrected endorsement numbers as related to the Condo program for AVP 612/613/614.

Please also amend the guide to include AVP584 is a mandatory endorsement used with the Condo program.

Response 3

Comments:

Though the form includes reference to Coverage C, we adjusted our system requirements to ensure that all property deductibles should not be able to exceed 10% of Coverage A.

Related Objection 3

Applies To:

- Hurricane Deductible, AVP591, N/A (Form)

Comments: Per the minimum standards, the deductible amount may be no greater than 10% of the Coverage A limit of liability. The endorsement requires amendment to correctly identify the application of the hurricane deductible.

Request to Change Effective Dates

Comments:

Good afternoon, Jessica.

We appreciate the partnership from the bureau in reviewing Allstate's pricing and contract filings to comply with the law changes. As we continue to work internally with systems and technology, we will need to move the effective date back to 11/28/24 to ensure that changes are implemented accurately to comply with the law and provide a positive customer experience for our policyholders. I have submitted a Post Submission Update reflecting the new dates.

Please contact me if you have questions or need additional information.

Respectfully,

Deborah Larsen
