Filing Description:

We are submitting our combination of ISO forms, modified ISO forms, and proprietary forms for compliance with the changes stemming from the recent law change in Virginia regarding Fire Insurance.

This filing includes a reference table for the reviewers indicating which form is an ISO form, modified from ISO, and proprietary. All forms have been reassigned an Allstate-specific form number regardless of that form being proprietary or ISO. Most proprietary forms are based on previously approved Allstate forms.

This filing was worked on prior to the objections received for the previous filing. As such, many of the changes requested in those objections may still hold into these forms. We apologize for any duplication of work, and we are already working on ensuring the changes from those objections will be reflected in these forms.

Objection Letter

Objection Letter Status	Info requested from Company
Objection Letter Date	05/13/2024
Submitted Date	05/13/2024
Respond By Date	05/24/2024

Dear Deborah Larsen,

Introduction:

Thank you for the company's time and objection responses submitted on 05/03/2024. Please review the following which requires the company's attention.

Objection 1

Comments: All forms and endorsements which contain more than 2 pages must be amended to include pages numbers.

Objection 2

- Extended Protection Amendatory Endorsement, AVP599, N/A (Form)

Comments: If the company intends to pay from first dollar on when this endorsement is attached to the homeowners base form, no further amendment is required.

If the company will pay initially only ACV then the provisions as set forth in D.2.b. and c. of AVP581 must be amended to the endorsement.

Objection 3

- Building Structure Replacement Cost Extended Limits Endorsement, AVP607, N/A (Form)

- Extended Protection Amendatory Endorsement, AVP599, N/A (Form)

Comments: Please reference the company's endorsement AVP581. The company has only amended 2.a.(1) currently within the two building structure endorsements, which then leaves 2.a., b. and c. still in AVP 581.

The company appears to be removing the threshold of 80% insurance to value requirement, which is acceptable, to provide the insured the coverage for up to 120%. The company may retain the 100% requirement for this broadened coverage in A. but must correctly remove the conflicting sections from AVP 581.

The order of attachment must work so the percentages outlined in AVP 581 are not applicable when this endorsement is attached.

Objection 4

- Dwelling in the Course of Construction Endorsement, AVP610 , N/A (Form)

Comments: This amendment is required. The Bureau will proceed with disapproval of the entire filing if the amendment is not made. When the company issues a policy on a dwelling which is in the course of construction, the dwelling limit of coverage must be the Coverage A amount for which the company has taken premium for.

The company may not place the amount of insurance on a sliding scale in proportion to the completed construction amount. The endorsement must be amended to remove this provision. This is a required change.

Conclusion:

Sincerely,
Jessica Baggarley

Dear Deborah Larsen,

Introduction:

Objection 1

- Extended Protection Amendatory Endorsement, AVP599, N/A (Form)

Comments: If the company intends to pay from first dollar on when this endorsement is attached to the homeowners base form, no further amendment is required.

Objection 2

Comments: The filing requires amendment to amend all endorsements which have been corrected in ALSE-134003102, to this filing. This is also applicable to those endorsements which an objection is outstanding on under ALSE-134003102 and will be amended further.

Request to Change Effective Dates

Comments:

Good afternoon, Jessica.

We appreciate the partnership from the bureau in reviewing Allstate's pricing and contract filings to comply with the law changes. As we continue to work internally with systems and technology, we will need to move the effective date back to 11/28/24 to ensure that changes are implemented accurately to comply with the law and provide a positive customer experience for our policyholders. I have submitted a Post Submission Update reflecting the new dates.

Please contact me if you have questions or need additional information.

Respectfully,

Deborah Larsen
