Filing Description:

Based on an objection from the state related to the corresponding form filing (SERFF Filing Number ALSE- 134048010), Allstate has amended this filing to remove Dwelling in the Course of Construction. Please see the attached amended filing documents.

Updates to this filing are being made based on the final approved ISO forms. Please see the attached amended filing documents.

With this filing, Allstate has updated the Pricing Rules and Rates Manuals for the Allstate Property and Casualty Insurance Company (APC) Homeowners – Owner Occupied Homeowners (HO) program in the Commonwealth of Virginia in response to the enactment of Chapter 341 of Title 14 of the Virginia Administrative Code entitled “Rules Governing Standards for the Content of Dwelling Property Insurance Policies” and Chapter 342 of Title 14 of the Virginia Administrative Code entitled “Rules Governing Standards for the Content of Homeowners Insurance Policies”.

Allstate has analyzed the impact of updating the various contract provisions in this filing where possible and expects that the combined impact of these changes will be negligible. However, for some of the contract changes, Allstate does not believe that the effects can be credibly quantified, so Allstate will not be adjusting rates in response to these changes at this time but will continue to monitor the adequacy and appropriateness of the rate level going forward. Allstate insureds in the Commonwealth of Virginia will not see an overall rate level offset to their homeowners policy as a result of the coverage adjustments required by Chapters 341 and 342.

Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to all business effective on or after November 28,2024.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/ re-write is necessary.

Comment: The company's objection response does not align with previously filed material with the Bureau. A future filing is needed on or before 10/01/2024 to address the following:

Please see: ALSE-133543723 and ALSX-G126719924 for the filed Claim Rating Factors. If the material outlined in these filings was replaced, please provide the SERFF filing number/s where the amendments were made.

Actuarial data is required to support the use of the company's use of loss history rating modification based on an insured's credit score.

If two insureds had the same type of loss and their loss history occurrence volume is the same, the Bureau is concerned why the company would feel it supported to charge each insured a different premium amount solely because of credit. The company would not be permitted to utilize this rating methodology as a form of predictive future loss occurrence if outside of the effective period of coverage.

Dear Deborah Larsen,

Introduction:

Thank you for the company's time and submission received on 06/03/2024. Please review the following which requires the company's attention.

Objection 1

- Manual Pages, HOPC3-1,3-2,4-1,4-2,5-1,10-1,15-1,16-1,23-1,24-2-24-3,25-1,25-2,27-1,28-1;PCP-1;RFP-1,8,9,10,11,12,13,14,15,16,17;SRP-2,3,4,5 (Rate)

Comments: The Bureau is aware the following claims rating has been included in previous filings and acknowledged, but amendment is required. The Bureau is unable to permit the company to continue to apply differing claims rating factors based on the insurance score of an insured. For losses which are the same, the company must rate the same. The company may not charge different rates between insureds who have similar losses but differing insurance scores as this violates §38.2-1904.

Please provide the company's estimated timeline for amending the program to restructure claims rating.

Conclusion:

Sincerely,
Jessica Baggarley

Comments:

Good afternoon, Jessica.

We appreciate the partnership from the bureau in reviewing Allstate's pricing and contract filings to comply with the law changes. As we continue to work internally with systems and technology, we will need to move the effective date back to 11/28/24 to ensure that changes are implemented accurately to comply with the law and provide a positive customer experience for our policyholders. I have submitted a Post Submission Update reflecting the new dates.

Please contact me if you have questions or need additional information.

Based on an objection from the state related to the corresponding form filing (SERFF Filing Number ALSE- 134048010), Allstate has amended this filing to remove Dwelling in the Course of Construction. Please see the attached amended filing documents.

Updates to this filing are being made based on the final approved ISO forms. Please see the attached amended filing documents.

With this filing, Allstate has updated the Pricing Rules and Rates Manuals for the Allstate Property and Casualty Insurance Company (APC) Homeowners Owner Occupied Homeowners (HO) program in the Commonwealth of Virginia in response to the enactment of Chapter 341 of Title 14 of the Virginia Administrative Code entitled Rules Governing Standards for the Content of Dwelling Property Insurance Policies and Chapter 342 of Title 14 of the Virginia Administrative Code entitled Rules Governing Standards for the Content of Homeowners Insurance Policies.

Allstate has analyzed the impact of updating the various contract provisions in this filing where possible and expects that the combined impact of these changes will be negligible. However, for some of the contract changes, Allstate does not believe that the effects can be credibly quantified, so Allstate will not be adjusting rates in response to these changes at this time but will continue to monitor the adequacy and appropriateness of the rate level going forward. Further information regarding these changes can be found in the enclosed attachments.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/ re-write is necessary.
