Dear Deborah,

Please amend the filing to reflect the effective date when the non-renewals will begin. It appears possibly per the memo the renewal effective date will be 01/23/2025.

The Bureau wishes to remind the company, it is absolutely their option regarding the effective dates but the program will be subject to the minimum limit amendments as of 01/01/2025 as set forth in §46.2-472. The company will still be required to make a filing to amend the forms list, comply with all new minimum limit requirements for active policies, and remove rates which are no longer applicable.
