With Amendment #5, Allstate is adding back in the Increased Limit options for Coverage B Other Structures Protection that were removed earlier in this project. Limit options below 10% of Coverage A will still not be allowed.

Based on an objection from the state, Allstate has amended this filing to remove Rule 25 Claim Rating and Rule 26 Claim Free Discount from the Homeowners Manual. Therefore, the Rule 25 reference has been removed from Rule 28 Home Buyer Discount – Condominium in the Homeowners Manual and a Definition of a Qualifying Company section has been added to Rule 28. In addition, the Claim Rating Factor and Claim Free Discount steps have been removed from Page HORC-1 in the Homeowners Manual.

Based on an objection from the state related to the corresponding form filing (SERFF Filing Number ALSE- 134049798), Allstate has amended this filing to remove Dwelling in the Course of Construction. Please see the attached amended filing documents.

Updates to this filing are being made based on the final approved ISO forms. Please see the attached amended filing documents.

With this filing, Allstate has updated the Pricing Rules and Rates Manuals for the Allstate Insurance Company (AIC) Homeowners – Owner Occupied Homeowners (HO) and Homeowners - Condominium (CON) programs in the Commonwealth of Virginia in response to the enactment of Chapter 341 of Title 14 of the Virginia Administrative Code entitled “Rules Governing Standards for the Content of Dwelling Property Insurance Policies” and Chapter 342 of Title 14 of the Virginia Administrative Code entitled “Rules Governing Standards for the Content of Homeowners Insurance Policies”.

Allstate has analyzed the impact of updating the various contract provisions in this filing where possible and expects that the combined impact of these changes will be negligible. However, for some of the contract changes, Allstate does not believe that the effects can be credibly quantified, so Allstate will not be adjusting rates in response to these changes at this time but will continue to monitor the adequacy and appropriateness of the rate level going forward. Allstate insureds in the Commonwealth of Virginia will not see an overall rate level offset to their homeowners or condominium policy as a result of the coverage adjustments required by Chapters 341 and 342.

Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to all business effective on or after November 28, 2024.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/ re-write is necessary.

Comment: Per the disposition from ALSE-134131409, please note that the company is required to submit a filing on or before 10/01/2024 which includes the actuarial supports justifying rating insureds differently based on credit score.

The company may either submit in the same filing or a separate filing, a new manual which removes the reference to homeowners from the current manual titled "homeowners insurance manual" and specify the manual is a renters and condo manual only. All references to homeowners must be removed from each page in that manual on or before 12/01/24.

It appears HORC-1 through 3 may also be withdrawn at that time as the company provides ROCs specific to Condo and Renters.

Dear Deborah Larsen,

Introduction:

Thank you for your submission. The following issues will require your attention.

Objection 1

- Manual Tracked Changes (Supporting Document)

Comments: For the Homeowners Manual, Deluxe HO Manual and Deluxe Plus HO Manual:

Some of the changes referenced in this filing were previously made in another filing (ALSE-134131409). Based on the memo provided to the Bureau, it appears that superseding some of that material may be unintentional.

The company should do one of the following:

- 1) Resubmit its entire manual for review.
- 2) Amend the submission to only include pages which have been changed since the most recent filing.

Objection 2

- Manual Pages, Rules and Rates are Varied (Rate)

Comments: Please refer to Page HO28-1. Remove "written on or after 01/29/2001" as it is no longer relevant.

Please clarify the purpose of Page HOCR-3. The manual override page filed in ALSE-134131409 states that reference to deluxe HO is not applicable in this manual. Are there non-deluxe HO policies that the company writes?

Objection 3

Comments: Please clarify what form the company will use to provide the Increased Coverage B in the Deluxe and Deluxe Plus programs, and where that form was submitted for approval with the Bureau.

Conclusion:

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov.

Sincerely,

Flora Worthington

Request to Change Effective Dates

Comments:

Good afternoon,Flora.

We appreciate the partnership from the bureau in reviewing Allstate's pricing and contract filings to comply with the law changes. As we continue to work internally with systems and technology, we will need to move the effective date back to 11/28/24 to ensure that changes are implemented accurately to comply with the law and provide a positive customer experience for our policyholders. I have submitted a Post Submission Update reflecting the new dates.

Please contact me if you have questions or need additional information.

Respectfully,

Deborah Larsen

Filing Description:**Requested Value:**

With Amendment #5, Allstate is adding back in the Increased Limit options for Coverage B Other Structures Protection that were removed earlier in this project. Limit options below 10% of Coverage A will still not be allowed.

Based on an objection from the state, Allstate has amended this filing to remove Rule 25 Claim Rating and Rule 26 Claim Free Discount from the Homeowners Manual. Therefore, the Rule 25 reference has been removed from Rule 28 Home Buyer Discount Condominium in the Homeowners Manual and a Definition of a Qualifying Company section has been added to Rule 28. In addition, the Claim Rating Factor and Claim Free Discount steps have been removed from Page HORC-1 in the Homeowners Manual.

Based on an objection from the state related to the corresponding form filing (SERFF Filing Number ALSE- 134049798), Allstate has amended this filing to remove Dwelling in the Course of Construction. Please see the attached amended filing documents.

Updates to this filing are being made based on the final approved ISO forms. Please see the attached amended filing documents.

With this filing, Allstate has updated the Pricing Rules and Rates Manuals for the Allstate Insurance Company (AIC) Homeowners Owner Occupied Homeowners (HO) and Homeowners - Condominium (CON) programs in the Commonwealth of Virginia in response to the enactment of Chapter 341 of Title 14 of the Virginia Administrative Code entitled Rules Governing Standards for the Content of Dwelling Property Insurance Policies and Chapter 342 of Title 14 of the Virginia Administrative Code entitled Rules Governing Standards for the Content of Homeowners Insurance Policies.

Allstate has analyzed the impact of updating the various contract provisions in this filing where possible and expects that the combined impact of these changes will be negligible. However, for some of the contract changes, Allstate does not believe that the effects can be credibly quantified, so Allstate will not be adjusting rates in response to these changes at this time but will continue to monitor the adequacy and appropriateness of the rate level going forward. Allstate insureds in the Commonwealth of Virginia will not see an overall rate level offset to their homeowners or condominium policy as a result of the coverage adjustments required by Chapters 341 and 342.

Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to all business effective on or after November 28, 2024.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/ re-write is necessary.
