Filing Description:

With Amendment #4, Allstate is adding back in the Increased Limit options for Coverage B Other Structures Protection that were removed earlier in this project. Limit options below 10% of Coverage A will still not be allowed.

Based on an objection from the state related to the corresponding form filing (SERFF Filing Number ALSE- 134048010), Allstate has amended this filing to remove Dwelling in the Course of Construction. Please see the attached amended filing documents.

Updates to this filing are being made based on the final approved ISO forms. Please see the attached amended filing documents.

With this filing, Allstate has updated the Pricing Rules and Rates Manuals for the Allstate Property and Casualty Insurance Company (APC) Homeowners – Owner Occupied Homeowners (HO) program in the Commonwealth of Virginia in response to the enactment of Chapter 341 of Title 14 of the Virginia Administrative Code entitled “Rules Governing Standards for the Content of Dwelling Property Insurance Policies” and Chapter 342 of Title 14 of the Virginia Administrative Code entitled “Rules Governing Standards for the Content of Homeowners Insurance Policies”.

Allstate has analyzed the impact of updating the various contract provisions in this filing where possible and expects that the combined impact of these changes will be negligible. However, for some of the contract changes, Allstate does not believe that the effects can be credibly quantified, so Allstate will not be adjusting rates in response to these changes at this time but will continue to monitor the adequacy and appropriateness of the rate level going forward. Allstate insureds in the Commonwealth of Virginia will not see an overall rate level offset to their homeowners policy as a result of the coverage adjustments required by Chapters 341 and 342.

Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to all business effective on or after November 28, 2024.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/ re-write is necessary.

Comment: As previously stated in ALSE-134132170, a future filing is needed on or before 10/01/2024 to address the following. None of the material submitted in this filing appears to correspond to the information requested below:

Actuarial data is required to support the use of the company's use of loss history rating modification based on an insured's credit score.

If two insureds had the same type of loss and their loss history occurrence volume is the same, the Bureau is concerned why the company would feel it supported to charge each insured a different premium amount solely because of credit. The company would not be permitted to utilize this rating methodology as a form of predictive future loss occurrence if outside of the effective period of coverage.

Please see: ALSE-133543723 and ALSX-G126719924 for the filed Claim Rating Factors. If the material outlined in these filings was replaced, please provide the SERFF filing number/s where the amendments were made.

Respond By Date	09/09/2024

Dear Deborah Larsen,

Introduction:

Thank you for your submission. The following issues will require your attention.

Objection 1

- Manual Tracked Changes (Supporting Document)

Comments: Some of the changes referenced in this filing were previously made in another filing (ALSE-134132170). Based on the memo provided to the Bureau, it appears that superseding some of that material may be unintentional.

The company should do one of the following:

- 1) Resubmit its entire manual for review.
- 2) Amend the submission to only include pages which have been changed since the most recent filing.

Objection 2

- Manual Pages, SRP-6 (Rate)

Comments: Please refer to Page HOPC28-1. Remove "written on or after 06/18/2007" as it is no longer relevant.

Please refer to RFP - 8. Please clarify the meaning of "With Endorsement Factor" and "Without Endorsement Factor" under 5. Please clarify what rule this factor corresponds to.

Objection 3

Comments: Please clarify what form the company will use to provide the Increased Coverage B, and where that form was submitted for approval with the Bureau.

Conclusion:

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov.

Sincerely,

Flora Worthington

Comments:

Good afternoon,Flora.

We appreciate the partnership from the bureau in reviewing Allstate's pricing and contract filings to comply with the law changes. As we continue to work internally with systems and technology, we will need to move the effective date back to 11/28/24 to ensure that changes are implemented accurately to comply with the law and provide a positive customer experience for our policyholders. I have submitted a Post Submission Update reflecting the new dates.

Please contact me if you have questions or need additional information.

Filing Description:**Requested Value:**

With Amendment #4, Allstate is adding back in the Increased Limit options for Coverage B Other Structures Protection that were removed earlier in this project. Limit options below 10% of Coverage A will still not be allowed.

Based on an objection from the state related to the corresponding form filing (SERFF Filing Number ALSE- 134048010), Allstate has amended this filing to remove Dwelling in the Course of Construction. Please see the attached amended filing documents.

Updates to this filing are being made based on the final approved ISO forms. Please see the attached amended filing documents.

With this filing, Allstate has updated the Pricing Rules and Rates Manuals for the Allstate Property and Casualty Insurance Company (APC) Homeowners Owner Occupied Homeowners (HO) program in the Commonwealth of Virginia in response to the enactment of Chapter 341 of Title 14 of the Virginia Administrative Code entitled Rules Governing Standards for the Content of Dwelling Property Insurance Policies and Chapter 342 of Title 14 of the Virginia Administrative Code entitled Rules Governing Standards for the Content of Homeowners Insurance Policies.

Allstate has analyzed the impact of updating the various contract provisions in this filing where possible and expects that the combined impact of these changes will be negligible. However, for some of the contract changes, Allstate does not believe that the effects can be credibly quantified, so Allstate will not be adjusting rates in response to these changes at this time but will continue to monitor the adequacy and appropriateness of the rate level going forward. Allstate insureds in the Commonwealth of Virginia will not see an overall rate level offset to their homeowners policy as a result of the coverage adjustments required by Chapters 341 and 342.

Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to all business effective on or after November 28, 2024.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/ re-write is necessary.
