Filing Description:

With Amendment #2, Allstate is adding back in the Increased Limit options for Coverage B Other Structures Protection that were removed earlier in this project. Limit options below 10% of Coverage A will still not be allowed.

Based on objections from the state related to some of Allstate's accompanying filings for different books of business (SERFF Filing Numbers ALSE-133649222, ALSE-133649154, ALSE-133649395, and ALSE- 133649345), Allstate has amended this filing. In addition, updates to this filing are being made based on the final approved ISO forms. Please see the attached amended filing documents.

With this filing, Allstate has updated the Pricing Rules and Rates Manuals for the Allstate Indemnity Company (AI) Manufactured Home program in the Commonwealth of Virginia in response to the enactment of Chapter 341 of Title 14 of the Virginia Administrative Code entitled "Rules Governing Standards for the Content of Dwelling Property Insurance Policies" and Chapter 342 of Title 14 of the Virginia Administrative Code entitled "Rules Governing Standards for the Content of Homeowners Insurance Policies".

Allstate has analyzed the impact of updating the various contract provisions in this filing where possible and expects that the combined impact of these changes will be negligible. However, for some of the contract changes, Allstate does not believe that the effects can be credibly quantified, so Allstate will not be adjusting rates in response to these changes at this time but will continue to monitor the adequacy and appropriateness of the rate level going forward. Allstate insureds in the Commonwealth of Virginia will not see an overall rate level offset to their manufactured home policy as a result of the coverage adjustments required by Chapters 341 and 342.

Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to all business effective on or after November 28, 2024.

Comment: On or before 12/1/24, the company is required to submit a filing which includes the actuarial supports justifying rating insureds differently based on credit score.

If two insureds had the same type of loss and their loss history occurrence volume is the same, the Bureau is concerned why the company would feel it supported to charge each insured a different premium amount solely because of credit. The company would not be permitted to utilize this rating methodology as a form of predictive future loss occurrence if outside of the effective period of coverage.

Dear Deborah Larsen,

Introduction:

Thank you for your submission. The following issues will require your attention.

Objection 1

- Manual Tracked Changes (Supporting Document)

Comments: Some of the changes referenced in this filing were previously made in another filing (ALSE-134015828). Based on the memo provided to the Bureau, it appears that superseding some of that material may be unintentional.

The company should do one of the following:

- 1) Resubmit its entire manual for review.
- 2) Amend the submission to only include pages which have been changed since the most recent filing.

Objection 2

Comments: Please clarify what form the company will use to provide the Increased Coverage B, and where that form was submitted for approval with the Bureau.

Additionally, please provide an up-to-date list of the forms in use by the company.

Conclusion:

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov.

Sincerely,

Flora Worthington

Re: Forms List

Comments:

Since the company has submitted a form filing, the Bureau would request that the company move the forms list to the filing ALSE-134226884. This will allow for a faster review for this filing.

In addition, please amend the forms list to include the SERFF number or BOI tracking number where the form was approved for Allstate Indemnity. It does not appear that some of those forms were submitted for approval for Allstate Indemnity specifically.

The forms list in this filing is being acknowledged as "returned to company."

Request to Change Effective Dates

Comments:

Good afternoon,Flora.

We appreciate the partnership from the bureau in reviewing Allstate's pricing and contract filings to comply with the law changes. As we continue to work internally with systems and technology, we will need to move the effective date back to 11/28/24 to ensure that changes are implemented accurately to comply with the law and provide a positive customer experience for our policyholders. I have submitted a Post Submission Update reflecting the new dates.

Please contact me if you have questions or need additional information.

Respectfully,

Deborah Larsen

Filing Description:**Requested Value:**

With Amendment #2, Allstate is adding back in the Increased Limit options for Coverage B Other Structures Protection that were removed earlier in this project. Limit options below 10% of Coverage A will still not be allowed.

Based on objections from the state related to some of Allstates accompanying filings for different books of business (SERFF Filing Numbers ALSE-133649222, ALSE-133649154, ALSE-133649395, and ALSE- 133649345), Allstate has amended this filing. In addition, updates to this filing are being made based on the final approved ISO forms. Please see the attached amended filing documents.

With this filing, Allstate has updated the Pricing Rules and Rates Manuals for the Allstate Indemnity Company (AI) Manufactured Home program in the Commonwealth of Virginia in response to the enactment of Chapter 341 of Title 14 of the Virginia Administrative Code entitled Rules Governing Standards for the Content of Dwelling Property Insurance Policies and Chapter 342 of Title 14 of the Virginia Administrative Code entitled Rules Governing Standards for the Content of Homeowners Insurance Policies.

Allstate has analyzed the impact of updating the various contract provisions in this filing where possible and expects that the combined impact of these changes will be negligible. However, for some of the contract changes, Allstate does not believe that the effects can be credibly quantified, so Allstate will not be adjusting rates in response to these changes at this time but will continue to monitor the adequacy and appropriateness of the rate level going forward. Allstate insureds in the Commonwealth of Virginia will not see an overall rate level offset to their manufactured home policy as a result of the coverage adjustments required by Chapters 341 and 342.

Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to all business effective on or after November 28, 2024.
