Filing Description:

With this filing, Allstate has updated the minimum financial responsibility limits for the Allstate Indemnity Company (AI) Private Passenger Auto (PPA) program in the Commonwealth of Virginia in response to the enactment of Virginia Senate Bill 1182. To comply with Senate Bill 1182, Allstate is proposing revisions to the Increased Limits rating plan.

Although there is a positive premium impact due to these changes, the overall rate level impact is targeted to be 0% because of the corresponding coverage increase. Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to all business effective on or after January 01, 2025.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/re-write is necessary.
