Filing Description:

With this filing, Allstate has updated the minimum financial responsibility limits for the Allstate Fire and Casualty Insurance Company (AFCIC) Private Passenger Auto (PPA) program in the Commonwealth of Virginia in response to the enactment of Virginia Senate Bill 1182. To comply with Senate Bill 1182, Allstate is proposing revisions to the Increased Limits rating plan and to both Rule 17 – Limits of Liability and Rule 51 - Tier Determination.

Although there is a positive premium impact due to these changes, the overall rate level impact is targeted to be 0% because of the corresponding coverage increase. Further information regarding these changes can be found in the enclosed attachments.

With this filing, Allstate is also removing Shelter-in-Place Payback found on Page MO-1. This change is for clarification purposes only and will have no impact on policy premiums.

These changes will apply to all business effective on or after January 01, 2025.

Dear Deborah Larsen,

Introduction:

Thank you for your time and objection response. However, the following issues will require your attention.

Objection 1

- Rule 51 (Supporting Document)

Comments: Move this information from the supporting documents tab to the rules/rates tab as part of the general rule revisions in order for it to be filed.

Page 51-1:

Amend the date to reflect the edition date of 01/01 rather than 01/02.

Page 51-9:

In accordance with §38.2-1905, submit an updated version of B.2.b that clearly states in the rule 36 months after new business, no NAF/Non-chargeable accidents will be considered. The company's objection response does not adequately address the concerns of the Bureau.

Conclusion:

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov.

Sincerely,

Flora Worthington

Dear Deborah Larsen,

Introduction:

Thank you for your submission. The following issues will require your attention.

Objection 1

Comments: Please refer to Page 38-1 of ALSE-131253762. It is the position of the Bureau that, unless the company can prove otherwise, there is no actuarial basis to extend the Advance Quote/Future Effective Date discount beyond five years. Amend the discount to wind down over time or provide actuarial proof accordingly.

Please refer to Page 47-1 of BOI Tracking Number 018 0000045157. Since credit scores must be reordered at least once every three years, remove the bottom part of the page which clarifies the no hit/thin file/no score procedure for scores between 2006 and 2009.

Objection 2

- Manual Pages, 17-1; 51-1-51-6; 51-9; RP-2A; RP-3A (Rate)

Comments: On pages 51-1 through 51-3, is there a substantive difference between the two possible row assignments in each row of the table? For example, is there a rating difference between 1&13 or 2&14? If not, please state there is no difference in the rule. If there is a difference, please clarify that how the row choice is determined in the rule.

Please submit an updated version of B.2.b (51-8) that clearly states in the rule 36 months after new business, no NAF/Non-chargeable accidents will be considered. It appears the rule already states this in effect, but please clarify that this is the case.

Please submit an updated version of all Rule 51 pages, as some of the page numbers do not track with what the Bureau has on file.

Conclusion:

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov.

Sincerely,

Flora Worthington
