Filing Description:

In SERFF Filing ALSE-134054715, Allstate committed to submitting a future filing in which three outstanding concerns that were raised in Filing ALSE-134054715 will be addressed. Those three concerns are summarized below, along with a description of Allstate's intended solution. Please note that while the work on this has begun, we do not yet have all the details such as the exact timing for when the implementation of the changes will be possible, but we are working towards that as quickly as possible. We are opening this filing now and are intending to use it as a means of keeping the Bureau apprised and up-to- date on the details of the systems project as we have them.

1) The Bureau has required that the Defensive Driver Discount (Rule 27) be revised. Allstate intends to remove the following requirement from the rating rule: "This discount applies only to vehicles which are solely driven by qualified drivers." Instead, we intend to provide the discount if any driver assigned to the vehicle qualifies.

2) The Bureau has required that the Renewal Discount rule (Rule 15) be revised. Allstate intends to remove the policy written date cutoff which varies the discount qualification criteria.

3) The Bureau has required that the Preferred Policy Discount rule (Rule 49) be revised. Allstate intends to remove the policy written date cutoff which varies the discount initial qualification criteria.
