Filing Description:

With this filing, Allstate has updated the minimum financial responsibility limits for the Allstate Insurance Company (AIC) Private Passenger Auto (PPA) program in the Commonwealth of Virginia in response to the enactment of Virginia Senate Bill 1182. To comply with Senate Bill 1182, Allstate is proposing revisions to the Limits Rating Factors rating plan and to Rule 11 – Limits of Liability.

Although there is a positive premium impact due to these changes, the overall rate level impact is targeted to be 0% because of the corresponding coverage increase. Further information regarding these changes can be found in the enclosed attachments.

With this filing, Allstate is also removing Shelter-in-Place Payback found on Page MO-2. In addition, Allstate is adding back in a section title on Rules Manual Page 22-5 that was removed in error with a previous filing. These changes are for clarification purposes only and will have no impact on policy premiums.

These changes will apply to all business effective on or after January 01, 2025.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/re-write is necessary.

Forms List

Comments:

Please amend the filing to include the company's updated program forms list which includes the new form number applicable to the Amendment of Policy Provisions PP 01 99 01 25.

The list should include the form number, title, and edition date for each form and may be in numerical or alphabetical order. If the company assigns their own form numbers to Virginia standard automobile insurance forms, the list should include a cross-reference between the company form number and the standard form number.

The Bureau acknowledges the purpose of the company's filing and also wishes to ensure compliance at the same time with the applicable standard forms.
