Amendment Letter

Submitted Date: 09/19/2024

Comments:

Good afternoon, Madi.

It has been brought to our attention that clerical errors appear in the manual pages originally submitted with this filing for a limited number of Make/Model vehicle names. These typographical errors were present due to our efforts to apply format updates to our manual pages, and had no impact on the factors included. No policyholders will or would have experienced any rate impact from these clerical errors, and with this amendment, we are providing revised pages with corrected Make/Model names. There are no other changes to any of the items submitted.

Please contact me if you have questions or need additional information. We apologize for any inconvenience and thank you for reopening this filing.

Respectfully,

Deborah Larsen

The typographical errors had no impact on the factors included. No policyholders will or would have experienced any rate impact from these clerical errors.
