Filing Description:

With this filing, Allstate is proposing revisions to the Model Year Factors for the Allstate Indemnity Company (AI) Private Passenger Auto (PPA) program in the Commonwealth of Virginia. As stated in the rules, this change will automatically take place on October 1 each calendar year. Therefore, this is only a clarification to the manual rate pages; it reflects the currently approved process.

The rate level impact of this change is 0.0%. Further information regarding this change can be found in the enclosed attachments.

This change will apply to new business written on or after October 01, 2024 and for renewals effective on or after October 01, 2024.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/re-write is necessary.

Dear Deborah Larsen,

Introduction:

Thank you for your submission. The following issues will require your attention.

Objection 1

- Manual, 6-2 (Rate)

Comments: If the year of a vehicle is indicative of loss cost, then to blanket a range of vehicle years with a flat percentage is not acceptable or actuarially justified. The company must amend the factor to reflect the model year factor for a given year. It is not acceptable for the company to increase rates for a 2014, 2012, and 1997 vehicle by 7%.

Rule 21 will require amendment to reflect this change in procedure. The company may use its rates as written for 10/1 but must amend this filing to reflect the necessary changes as soon as able and submit a post submission update to reflect those changes. Additionally, the company should update the Rating information schedule to reflect the changes seen in rates for individuals.

Conclusion:

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov.

Sincerely,

Flora Worthington
