Comment: This submission is hereby acknowledged as disapproved.

Allstate, and multiple companies within the group, are out of compliance on a much larger scale than the required update to the FR limits. Being so, the Bureau will not approve one-off forms that are not in compliance with the 2018 standard auto forms entirely.

Rate data does NOT apply to filing.

Dear Deborah Larsen,

Introduction:

Thank you for your objection response letter on December 30, 2024. Please note, the Bureau reserves the right to always revisit or clarify handling, despite previous file acknowledgement, for continued compliance with the Code of Virginia. The Bureau understands the company may have not received these questions prior to this filing and we thank you for your time and objection responses.

Objection 1

- Amendment Of Motor Vehicle Provisions—Virginia, G1-75161-D, 08-24 (Form)
- Virginia Advisory Filing Adoption Form (Supporting Document)
- Forms List (Supporting Document)
- Tracked Changes (Supporting Document)

Comments: The company references numerous ISO forms that are no longer in use nor compliant. The company will need to review and amend their entire Auto program to comply with Virginia requirements. Please refer to the attached Administrative Order 12113, which required all companies implement the new standard auto forms for Virginia effective January 1, 2022.

Pursuant to Virginia Code §38.2-2220, insurers writing automobile insurance in Virginia must use the standard forms in the precise language adopted by the Bureau pursuant to §38.2-2220 of the Code of Virginia. No insurer shall use any form covering substantially the same provision contained in an approved standard form unless it is in the precise language of the standard form.

What is required at this time:

1. Due to failure to implement the standard forms as required by January 1, 2022, please send policy counts by year for 2022, 2023, and 2024.
2. Please refer to Administrative Order 12113 for the correct standard forms the company must use, with revisions for the new Amendment of Policy Provisions and the uninsured motorist endorsements accounted for. The company cannot change the language or deviate from the standard forms. The company must use the precise language as what was approved in the ISO standard forms. As an example, The first paragraph under the Automatic Termination section, the company may not change the ISO approved language from "does" to "do."

The company may also refer to the ISO approved filing(s) within SERFF which contain the standard forms, please review SERFF Tracking number ISOF-131893082 for more information regarding ISO's filing.

Objection 2

- Forms List (Supporting Document)

Comments: Please amend the forms list with the required standard forms the company is adopting, and please ensure if a company form is used it must be identified by the corresponding standard form as well. All forms must be clearly and accurately identified.

The company must identify ISO Legacy endorsements that are presently used and verify that they track with the 2018 standard auto program.

State: Virginia **Filing Company:** Encompass Independent Insurance Company
TOI/Sub-TOI: 19.0 Personal Auto/19.0001 Private Passenger Auto (PPA)
Product Name: EIIC PPA
Project Name/Number: FR Limit Update/RITM06239407

As an example, the Customizing Equipment Coverage Endorsement, PP 03 18 01 05 does not track with the new standard form. The company may amend the forms and submit new endorsements, or adopt the new versions, and for this example the updated corresponding ISO form is PP 03 91 01 20.

Objection 3

- Amendment Of Motor Vehicle Provisions—Virginia, G1-75161-D, 08-24 (Form)

Comments: As previously stated, the entire endorsement is not acceptable. The company can only submit exactly what they are amending and it must be amended only to broaden coverages.

For example, there are no changes to the appraisal section on the submitted amendatory compared to the required ISO base form PP 00 01 09 18. Therefore it does not need to be included in companies Amendatory endorsement.

Conclusion:

Should you have any questions, or if you would like to discuss these issues, please feel free to contact me via email at erin.marchetti@scc.virginia.gov.

Erin Marchetti
