Dear Deborah Larsen,

Introduction:

Thank you for the company's time and submission received on 01/10/2025. Please review the following items which require the company's attention.

Objection 1

Comments: Please refer to the company's previously filed material which requires the following amendments as noted in ALSE-134226449 as well as additional clarification.

- 1) Rule 13 - Accident Surcharge Program on page 13-1 requires amendment to 2.b, as the company is not permitted to charge for accidents by permissive drivers if the driver is a principal operator insured under a separate policy pursuant to § 38.2-1905 A.
- 2) 2.d. on page 13-1 also requires amendment, as the company may only include losses which the driver is wholly or partially at fault for during the 36 month look back period when a new driver is added to an existing policy. Pursuant to §38.2-1905, after premium has been established, the company is not permitted to increase premium for not-at-fault accidents, even with the addition of a new driver.
- 3) Part D of Rule 15 - Violation Surcharge Program on page 15-2 requires amendment. Chargeable violations must follow the vehicle customarily driven by the operator responsible for the violation and cannot apply to everyone involved pursuant to § 38.2-1905.
- 4) Please clarify whether the company offers an endorsement related to Rule 27 - Accident Waiver Program and provide the SERFF tracking number where the form was approved if so. If the company is not utilizing such an endorsement, one will need to be filed, as there is a premium charged for this and the company's Rating Information Statement outlines the same.

Conclusion:

Feel free to reach out if there is anything I can assist with: madi.goldberg@scc.virginia.gov.

Sincerely,

Madi Goldberg
