Filing Description:

This forms filing introduces a new homeowners product in a new Allstate company. It is a combination of ISO forms, modified ISO forms and proprietary forms. All forms have been reassigned an Allstate-specific form number regardless of that form being proprietary or ISO. Customers in Allstate Vehicle and Property Insurance Company will continue to renew into their current product, so that coverage will not change. The new product will be open to all customers for new business.

Objection Letter

Objection Letter Status	Info requested from Company
Objection Letter Date	08/12/2025
Submitted Date	08/12/2025
Respond By Date	09/05/2025

Dear Deborah Larsen,

Introduction:

Thank you for the company's time and objection responses submitted on 07/21/2025. Please review the following which requires the company's attention.

Objection 1

- Guest Travel Extended Protection Endorsement, P-GTEP-HO-VA, (03/23) (Form)

Comments: The endorsement may not amend the entire base form but rather in the header, the company may indicate that this coverage is added to the C. Damage To Property of Others if the company decides this is still the correct placement for the coverage.

Per the minimum standards, insurers may exclude losses under personal liability coverage for damage to property of others in the care, custody or control of the insured. The additional coverage for the damage to property of others includes an exclusion for damage to the property of others that is rented to an insured. There is lastly another exclusion for occurrences arising from any premises owned, rented, or controlled by and insured other than the insured premises.

The endorsement requires amendment to remove the exclusions from the base form/special provisions which the company intends to provide coverage back for through this endorsement.

Conclusion:

Please feel free to reach out to myself with questions: jessica.baggarley@scc.virginia.gov.

Sincerely,

Jessica Baggarley

Objection Letter Date	07/02/2025
Submitted Date	07/02/2025
Respond By Date	07/18/2025

Dear Deborah Larsen,

Introduction:

As the company is aware, Virginia has minimum standards of content for policies written to insure owner-occupied properties. These minimum standards are contained in Title 14, Chapter 342 of the Virginia Administrative Code (VAC).

Virginia Code § 38.2-2108 allows insurers to file coverages, terms or conditions that are broader and more favorable to the insured than the minimum standards. However, portions of the company's forms and endorsement do not appear to represent coverage that is more favorable to the insured than the minimum standards and appear to be more restrictive. Please review the following which requires the company's attention.

Objection 1

- Homeowners Policy, P-P-HO-MH-VA, (03/23) (Form)

Comments: Please amend the base form to include the company specific form number somewhere directly in the form.

The form also requires amendment to include page numbers.

Objection 2

- Special Provisions, P-SP-HO-MH-CO-VA, (03/23) (Form)

Comments: 1) The Special Provisions mention the amendment of the HO 00 06 form. As the filing stands now it does not appear a condo base form will be offered with this program. If it is the intent of the company to offer a condo form, please amend the filing to include the same. Otherwise, the reference to the HO 00 06 should be removed.

2) The endorsement requires amendment to include page numbers.

Objection 3

- Broadened Water Back-Up And Sump Discharge Or Overflow Coverage, P-BWBU-HO-MH-CO-VA, (03/23) (Form)

Comments: Endorsement HO 23 17 is mentioned in this endorsement but it does not appear this is an ISO form the company has indicated they will utilize. Please either amend the company's endorsement which aligns with HO 23 17 to include the mention or the mention of the endorsement may be removed from this endorsement.

There are times when the company has left the ISO form or endorsement number on the company's endorsement which is assigned a proprietary form number. In these instances, the Bureau is able to accept the mention of the ISO form number, because ultimately the order of attachment will work. But when the ISO form number is not on the company's form or endorsement, the order of attachment will not connect and amendment is required.

Objection 4

- Guest Travel Extended Protection Endorsement, P-GTEP-HO-VA, (03/23) (Form)

Comments: The endorsement could not amend the entire base form but rather in the header, the company may indicate that this coverage is added to the C. Damage To Property of Others if the company decides this is still the correct placement for the coverage.

care, custody or control of the insured. The additional coverage for the damage to property of others includes an exclusion for damage to the property of others that is rented to an insured. There is lastly another exclusion for occurrences arising from any premises owned, rented, or controlled by and insured other than the insured premises.

It appears the coverage the company wishes to offer through this endorsement overlaps with the exclusions outlined above. It appears the intent of the endorsement is to give the insured coverage back when they go on vacation and rent through VRBO, for example. The use of excursion, however, lends to maybe the intent of the endorsement is to provide coverage for a day trip, such as whitewater rafting.

Please clarify additionally what the company hopes to achieve through this coverage endorsement for insureds. In addition, there are exclusions the company may wish to remove as mentioned above which may inadvertently remove the intended coverage provided through the endorsement.

Pending the company's amendments, there are several added exclusions which may not work and will require further review.

Objection 5

- Utility Line Expense Coverage, P-ULE-HO-VA, (03/23) (Form)

Comments: Please amend the endorsement to include page numbers.

Objection 6

- Property Insurance Adjustment Endorsement, P-PIA-HO-MH- VA, (03/23) (Form)

Comments: As a reminder, and the Bureau does acknowledge the last paragraph of the endorsement, per the minimum standards insurers may require an insurance-to-value ratio of no more than 80% before full replacement cost loss settlement applies.

The first paragraph outlines the minimum amount of insurance the company is willing to issue the policy for, please confirm acknowledgement the company will permit the insured to move the Coverage A amount of insurance to at least 80%.

Related Objection 6

Applies To:

- Property Insurance Adjustment Endorsement, P-PIA-HO-MH- VA, (03/23) (Form)

Comments: As a reminder, and the Bureau does acknowledge the last paragraph of the endorsement, per the minimum standards insurers may require an insurance-to-value ratio of no more than 80% before full replacement cost loss settlement applies.

The first paragraph outlines the minimum amount of insurance the company is willing to issue the policy for, please confirm acknowledgement the company will permit the insured to move the Coverage A amount of insurance to at least 80%.

Request for Objection Response Extension

Comments:

Good evening, Jessica.

Please accept our apologies. We are waiting for Legal to sign off on our response and endorsement and it has not been received in time to meet today's extension due date.

To err on the side of caution and keeping the holiday weekend in mind, I would like to ask for the extension date to be changed to 9/2/2025, if at all possible. I thank you for your consideration.

Respectfully,

Deborah Larsen

Request for Objection Response Extension

Comments:

Good afternoon, Jessica.

I apologize for the late notice on this request. One of the key members of our team that is working on our Objection Response is unexpectedly out today. Would it be possible to receive an extension for providing our Objection Response? I don't think we'd need the full week but to err on the side of caution can the response date be extended to next Friday, 7/25/2025?

Thank you very much for your consideration.

Respectfully,

Deborah Larsen
