Filing Description:

With this filing we are amending the qualifications for the Defensive Driver Discount and Preferred Policy Discount as they are listed within the Decoder X3124-10.

Currently, the Defensive Driver Discount only applies on the specific vehicle that is solely driven by qualified operators (all assigned operators on the vehicle must be 'qualified operators').

To ensure we remain compliant and provide accurate information to our insureds, we are amending the language to apply the full Defensive Driver Discount to any vehicle where at least one assigned operator is a qualified operator. In addition, currently the Preferred Policy Discount contains date cutoff criteria for determining qualification of the discount and in order to remain compliant and provide accurate information to our insureds, we are amending the language to remove the date cutoff criteria.
