Dear Deborah Larsen,

Introduction:

Thank you for your prompt response to our objection letter. Please see the information below that is required in order for us to move this filing forward to acknowledgement.

Objection 1

- Manual Pages, Page I-1 Page I-2 Page 5-1 Page 9-1 Page 11-4 Page 25-1 Page 41-1 Page 47-1 Page 48-1 RP-2A RP-3A RP-6A RP-11A MDF-3.1 - MDF-3.2 RP-22A VI-1.2 (Rate)

Comments: 1. I apologize for the confusion. Rule page 11-4 B. should have the following wording restored:

B. Subsequent Rating Tier Determination

At every sixth renewal, the policys Tier will be reassigned if the Years with Prior Carrier was greater than the current assignment, if the policy has had no lapse in coverage for three consecutive years, or if the Bodily Injury limit was greater than the Prior Bodily Injury Limits for three consecutive years. Upon reaching the sixth renewal, Rating Tier will no longer apply. The applicable Rating Tier will be reassigned pursuant to the table in Section A. Otherwise, the same Tier will continue to apply at renewal.

2. The updated manual pages do not include an updated page for Rule 5.B. Additionally, the Premium Waiver rule must also include any additional premium owed. The rule must include both additional and refunded premium.

Conclusion:

Should you have any questions, please feel free to contact me by email at Jeanne.brannan@scc.virginia.gov.

Dear Deborah Larsen,

Introduction:

Please see the below information the Bureau has reviewed in the company's manuals. The Bureau apologizes if some of the information has been addressed. If so, please provide a status of when it will be corrected. Please note that the Bureau reserves the right to always revisit or clarify handling, despite previous file acknowledgement, for continued compliance with the Code of Virginia. The Bureau thanks you for your time and objection responses.

Objection 1

- Manual Pages, Page I-1; I-2; 9-1; 11-4; 25-1 41-1; 47-1; 48-1; RP-2A; RP-3A; RP-6A; RP-11A; MDF-3.1-MDF-3.2; RP-22A; VI-1.2 (Rate)

Comments: 1. Rule 11 - Pg. 11.4 - The company must restore the wording to B. Subsequent Rating Tier Determination which states the company will re-evaluate the tier every 6 terms or three years so the insured may have been able to improve their prior insurance and prior BI limits once they have been insured with the company for three years.

2. Please advise exactly where the tiering information is filed that would eliminate the use of convictions and accidents. It appears Rule 11 page 11.3 is still taking accidents/convictions into consideration in determining the tier level for the prior BI limits.

3. Rule 7 - Rate Adjustment Factor - Please advise why this factor is not accounted for in the base rate.

4. Rule 5 - Cancellations - This rule includes a paragraph in regard to the earned premium. It appears this rule should stand alone as a waiver of premium rule as the company may not retain any money when cancellation occurs. Please amend this accordingly.

Last year, the company advised it was working to remove the following from its system. Please provide the Bureau the status.

1. Rule 11 - Accidents by permissive drivers - The company cannot charge an accident to the insured where a permissive driver is at fault when that permissive driver is insured under separate insurance policy.

Conclusion:

Should you have any questions, please feel free to contact me by email at Jeanne.brannan@scc.virginia.gov.

Sincerely,

Jeanne Brannan

Dear Deborah Larsen,

Introduction:

Thank you for your submission. We have conducted our review, and the following information will require your attention.

Objection 1

- Manual Pages, Page I-1; I-2; 9-1; 11-4; 25-1; 25-2; 41-1; 47-1; 48-1; RP-2A; RP-3A; RP-6A; RP-11A; MDF-3.1-MDF-3.2; RP-22A; VI-1.2 (Rate)

Comments: 1. Rule 25 - Underwriting Tier - The company cannot utilize an Underwriting Tier and also charge for convictions and accidents at the vehicle/insured level. The use of both systems creates conflict with the provisions set forth in § 38.2-1905. Please see the attached Administrative Letter 2025-1 and remove the tiering rule from the submission.

2. Rule 9 - Uninsured Motorist Coverage - There is no longer an instance in VA where an insured may pay an uninsured motorist fee to the Virginia Department of Motor Vehicles. All policies issued must contain UMBI/UMPD, or EUMBI/EUMPD if selected by an insured. Amend the rule to acknowledge the same.

What is the company's intent of the proposed last statement being added to B.2. of the rule?

Conclusion:

Should you have any questions, please feel free to contact me by email at Jeanne.brannan@scc.virginia.gov.

Dear Jeanne Brannan,

Introduction:

Good afternoon, Jeanne.

Attached please find our Objection Response and updated supporting documentation. Please contact me if you have questions or need additional information.

Response 1

Comments:

Please see Objection Response and supporting updated Manual and its tracked changes version.

Related Objection 1

Applies To:

- Manual Pages, Page I-1; I-2; 9-1; 11-4; 25-1; 25-2; 41-1; 47-1; 48-1; RP-2A; RP-3A; RP-6A; RP-11A; MDF-3.1-MDF-3.2; RP-22A; VI-1.2 (Rate)

Comments: 1. Rule 25 - Underwriting Tier - The company cannot utilize an Underwriting Tier and also charge for convictions and accidents at the vehicle/insured level. The use of both systems creates conflict with the provisions set forth in § 38.2-1905. Please see the attached Administrative Letter 2025-1 and remove the tiering rule from the submission.

2. Rule 9 - Uninsured Motorist Coverage - There is no longer an instance in VA where an insured may pay an uninsured motorist fee to the Virginia Department of Motor Vehicles. All policies issued must contain UMBI/UMPD, or EUMBI/EUMPD if selected by an insured. Amend the rule to acknowledge the same.

What is the company's intent of the proposed last statement being added to B.2. of the rule?

ADMINISTRATIVE LETTER 2025-01

TO: All Insurers Licensed to Write Motor Vehicle Insurance in Virginia and All Interested Parties

RE: Requirements for Insurers Issuing Private Passenger Automobile Policies (Voluntary and Residual Market) under Subsection 38.2-1904 D and Section 38.2-1905 of the Code of Virginia

Subsections 38.2-1904 D and 38.2-1905 A of the Code of Virginia address how insurance companies may apply points or increase premium due to an auto accident for which an insured was wholly or partially at fault or for motor vehicle convictions. This administrative letter summarizes prior guidance on the insurer's responsibility to support any increase in premium permitted by § 38.2-1905 (including any safe driver plan¹) in one letter. **Consequently, the following Administrative Letters are withdrawn: 1977-7, 1977-14, 1982-12, 1982-13, 1985-2, 1990-9 and 1992-25.**

The table below outlines the requirements insurers must follow if they assign points to an insured's policy, increase the insured's premium due to an at-fault accident, or use such information in tiering² when rating private passenger automobile policies in the voluntary market and the residual market. The requirements for an Adverse Underwriting Notice are set forth in § 38.2-610.³

Topic	Insurer Obligations
Accidents and convictions	Insurers may apply a surcharge or place/keep the insured in a less favorable tier based on information pertaining to a motor vehicle <i>conviction</i> or at-fault <i>accident</i> . An at-fault accident is one in which the insured is wholly or partially at fault.

¹ A safe driver Plan (SDIP) includes any rating plan, by whatever name, where the premium for a private passenger policy is either increased or decreased due to a motor vehicle accident or conviction.

² As used in this Administrative Letter, tiering means a single company's pricing structure that includes multiple pricing tracks, which are distinguished by risk-specific criteria.

³ Additional information may be found in the Virginia Property & Casualty Filing Guidelines, Common Problems Found During Examinations Identified by the Property and Casualty Market Conduct and Consumer Services Sections, and AL-2015-07. These documents are on the Bureau's website <https://www.scc.virginia.gov/regulated-industries/companies/>.

Topic	Insurer Obligations
Not-at-fault accidents	Insurers may account for a not-at-fault (NAF) accident occurring prior to the new business effective date in rating. All rules applicable to the experience period apply. After the new business effective date, when adding a driver, NAF accidents involving the added driver which occurred prior to the new business effective date may not be accounted for in rating.
Insurer investigation required	Insurers must investigate and determine whether the insured was wholly or partially at-fault for the accident prior to assigning points or increasing premium.
Conditions regarding increasing premium, assigning points, and law enforcement exception	An insurer may not assign points or increase the insured's premium when the operator causing the accident or incurring the conviction is a principal operator under a separate policy. When an insurer assigns points at the vehicle level in rating, the points must be assigned to the vehicle customarily driven by the operator responsible for the accident/conviction. Exception for law enforcement: Insurers may not increase the premium or assign points under an SDIP to a policy insuring a law-enforcement officer due to an accident that occurred during the insured's employment as a law-enforcement officer when driving a motor vehicle provided by the employing law-enforcement agency and the insured was engaged in a law-enforcement activity at the time of the accident.
Experience period for the increase in premium, placement in a less favorable tier, or assignment of points due to accidents and convictions	An insurer may use motor vehicle accident or conviction information in rating for no longer than 36 months. - To use the full 36-month experience period, the increase in premium, placement in a less favorable tier, or assignment of points must be applied to the new or renewal business policy no later than 12 months after the accident or conviction. - If applied to the new or renewal business policy more than 12 months after the accident or conviction, the experience period is reduced accordingly.

Topic	Insurer Obligations
Insurers may not charge for accidents/convictions in both tiering and at the vehicle level	An insurer may use accidents and convictions in tiering but may not then also assign points or increase premium at the vehicle level. All rules regarding the use of NAF accidents apply.
Notice to Named Insured required	Insurers shall notify the named insured in writing and in the same notification inform the named insured that they may appeal the decision of the insurer to the Commissioner of Insurance if they feel their premium has increased or they have been charged points due to a motor vehicle accident without just cause. The notice shall include the requirements that the appeal be in writing and made to the Commissioner of Insurance within 60 days of receipt of the notice of any premium increase adjustment or of any point charge resulting from a motor vehicle accident.
