Filing Description:

With this filing we are removing from the Rating Tier, the following: Years with prior carrier, prior BI limits, and lapse. We have added language for Tenured Policy Group applying upon the insureds sixth renewal, which rates based on the insureds credit score (IS Score). This is applicable to the decoder X67812-20.

Please note: While the decoders are not included on the APC PPA Forms List, you will find a clean and tracked copy included in this filing. There are no changes made to any of the endorsement forms listed on the Forms List, however, you will notice the form numbers (versions) are updated to ensure the whole story of the forms are the most up to date.

Dear Deborah Larsen,

Introduction:

Thank you for the company's time and submission received on 08/07/2025. Please review the following items which require the company's attention.

Objection 1

- Forms List and Forms List Tracked Changes (Supporting Document)

Comments: 1) The Bureau is aware that the Allstate group has been in further conversation with the Personal Lines team regarding the company's construction of the standard auto forms. Similar amendment is required of this underwriting company's forms list.

The company must use the standard forms in their precise language and may not continually modify and layer them to create a modular package. Each standard form should only be listed once on the company's Forms List. For example, the Personal Auto Policy (PP 00 01 09 18) and Amendment of Policy Provisions (PP 01 99 01 25) are both listed numerous times.

The Bureau finds it acceptable to merge the documents to create an enhanced customer experience, but the manner in which the company is layering the standard forms and their own is not acceptable.

2) The Bureau currently has the following forms on file, but they are not reflected on the Forms List. If the forms are in use, please update the List to reflect them accordingly, and if not, please withdraw the forms.

AU141762-1 (Snowmobile Endorsement)

AP4955 (Claim Satisfaction Guarantee Amendatory Endorsement)
