Filing Description:

With this filing we are removing the Rating Tier which includes rating for the following: Years with prior carrier, prior BI limits, lapse, non-chargeable accidents, and comprehensive claims. We have added language for Tenured Policy Group applying upon the insureds sixth renewal, which rates based on the insureds credit score (IS Score). This is applicable to the decoder X71705-6.

Please note: While the decoders are not included on the AFCIC PPA Forms List, you will find a clean and tracked copy included in this filing. There are no changes made to any of the endorsement forms listed on the Forms List, however, you will notice the form numbers (versions) are updated to ensure the whole story of the forms are the most up to date.

Dear Deborah Larsen,

Introduction:

Thank you for the company's time and submission received on 08/07/2025. Please review the following items which require the company's attention.

Objection 1

- Forms List and Forms List Tracked Changes (Supporting Document)

Comments: 1) The Bureau is aware that the Allstate group has been in further conversation with the Personal Lines team regarding the company's construction of the standard auto forms. Similar amendment is required of this underwriting company's forms list.

The company must use the standard forms in their precise language and may not continually modify and layer them to create a modular package. For example, the company should only be utilizing the most up to date version of the Amendment of Policy Provisions (PP 01 99 01 25), and any use or mention on the Forms List of the previous version (PP 01 99 01 22) should be discontinued. Additionally, each standard form should only be listed once on the company's Forms List. For example, the Personal Auto Policy (PP 00 01 09 18) and Amendment of Policy Provisions (PP 01 99 01 25) are both listed numerous times.

The Bureau finds it acceptable to merge the documents to create an enhanced customer experience, but the manner in which the company is layering the standard forms and their own is not acceptable.

2) The Bureau currently has form AU14273 (Virginia Amendatory Endorsement) on file, but it is not reflected on the Forms List. If the form is in use, please update the List to reflect it accordingly, and if not, please withdraw the form.

Conclusion:

Feel free to reach out if there is anything I can assist with: madi.goldberg@scc.virginia.gov.

Sincerely,

Madi Goldberg

Dear Madi Goldberg,

Introduction:

Good morning, Madi.

Attached please find our Objection Response and supporting updated Forms List and its tracked changes version.

Please accept my apologies. I inadvertently removed the tracked changes version of X71705-6 within the Supporting Documentation tab and saved my work. I went back in and reentered the tracked version. Nothing has changed with this form.

Please contact me if you have questions or need additional information.
