Filing Description:

With this filing, Allstate is proposing revisions to the Model Year Factors for the Allstate North American Insurance Company (ANAIC) Private Passenger Auto (PPA) program in the Commonwealth of Virginia. As stated in the rules, if a factor for a new model year is not shown, annually increase the factor for the most recent model year that is shown by the Subsequent Model Year Adjustment found in the Automobile Rating Section. Therefore, this is only a clarification to the manual rate pages; it reflects the currently approved process.

The rate level impact of this change is 0.0%. Further information regarding this change can be found in the enclosed attachments.

This change will apply to new business written on or after October 01, 2025 and for renewals effective on or after October 01, 2025.
