Filing Description:

This forms filing introduces a new renters product in a new Allstate company. Rather than one large policy jacket, the policy will be a modular structure, with each coverage section being encompassed in its own form. By separating coverages out into modules there are efficiencies gained for maintenance with new state laws, as well as with future product development when the same module can be used in other products with identical language.

To the insured, the modules will flow together resembling a traditional policy jacket, headed by a Table Of Contents. Customers in Allstate Indemnity will continue to renew into their current product, so that coverage will not change. The new product will be open to all customers for new business.

Objection Letter

Objection Letter Date	02/10/2026
Submitted Date	02/10/2026
Respond By Date	02/24/2026

Dear Deborah Larsen,

Introduction:

Thank you for your response. We have conducted our review and the following issues will require your attention.

Objection 1

- Your Property Conditions, P-PCO-RE-VA, 03/23 (Form)

Comments: Refer to page one. Where the company removed section 8 as requested in the previous objection letter, it appears the sections after were not renumbered to coincide with the change. Please amend as necessary.

Objection 2

- Your Property Additional Protection, P-PAP-RE-VA, 06/23 (Form)

Comments: Refer to page 1, section 5. Fire Department Charges. Please amend this section to comply with §38.2-2130. Within the form, the company must specifically state that there is, at a minimum, \$250 reserved for volunteer fire departments.

The company may also include this on the declarations page, however it must be within the policy form itself. All forms which the company uses must contain the full contents of coverage pursuant to §38.2-305.

Objection 3

- Ordinance or Law Coverage, P-OLC-RE-VA, 03/23 (Form)

Comments: Please amend the endorsement to state that this amount is an additional limit of insurance and must be offered at an amount equal to Coverage A or Building Additions and Alterations when Coverage A does not apply.

Conclusion:

Should you have any questions, or if you would like to discuss these issues, please feel free to contact me via email at erin.marchetti@scc.virginia.gov.

Sincerely,

Erin Marchetti

Dear Deborah Larsen,

Introduction:

Thank you for your submission. We have conducted our review and the following issues will require your attention.

Objection 1

- General Definitions, P-GEDE-RE-VA, 03/23 (Form)

Comments: Refer to 1. Actual cash value. The company must amend the definition for Actual cash value. The company must be clear if the property would be depreciated or not and include that this would be considered at the time of loss.

Refer to 7. Diminution in value. The company must remove this definition. The company may account for depreciation at the time of loss settlement, however diminution in value is not applicable in the policy form as it is not contemplated by Virginia Code §38.2-2104 or §38.2-2105.

Objection 2

- General Provisions, P-GEPR-RE-VA, 03/23 (Form)

Comments: Refer to the Insuring Agreement. The company must remove, This policy is not complete without the Policy Declarations. The company may not use the declarations page as a document to impact the coverage provided in the forms.

Refer to Arbitration. Please amend to state that arbitration is NOT binding pursuant to Virginia code § 38.2-312

Objection 3

- Personal Property Protection, P-PP-RE-VA, 03/23 (Form)

Comments: The company must amend the form to state that ensuing losses from fire and lightening are always covered. There are multiple sections throughout the companys form that require amendment. The company may amend each section and/or add a blanket statement to the entire exclusion section to indicate that ensuing losses of fire, lightning and/or removal are always covered.

Refer to Losses We Cover Under Personal Property Protection. The company must remove Loss does not include, and we will not pay for, any diminution in value.

Refer to page 4, section C. The company must remove this section. The company may not use subsequent causes of losses to negate coverage.

Objection 4

- Your Family Liability and Guest Medical Protection, P-FLGM-RE-VA, 03/23 (Form)

Comments: Refer to page 5, section 5. Bankruptcy. Pursuant to Virginia Code §38.2-2200, the company must amend the Bankruptcy or the Insolvency provision to also include the insured's estate. The company shall provide the insolvency or bankruptcy of the insured, or the insolvency of the insured's estate, shall not relieve the insurer of any of its obligations under the policy or contract.

Also pursuant to §38.2-2200, if execution on a judgment against the insured or his personal representative is returned unsatisfied in an action brought to recover damages for injury sustained or for loss or damage incurred during the life of the policy or contract, then an action may be maintained against the company under the terms of the policy or contract for the amount of the judgment not exceeding the amount of the applicable limit of coverage under the policy or contract.

Objection 5

- Your Property Conditions, P-PCO-RE-VA, 03/23 (Form)

Comments: Refer to page 1, section 8. Our Rights To Obtain Salvage. The company must remove this section. The company has already correctly outlined the right to obtain the insureds property in section 3.

Refer to page 2, section 15. How We Pay For A Loss. In the end of paragraph b) the company states the insured may make claim for additional payment if they repair or replace the item within 180 days. The company may extend this offer, however, the company must amend the section to comply with §38.2-2119.B. The forms must notate Any claim for such difference must be made within six months of (i) the last date on which the insured received a payment for actual cash value or (ii) date of entry of a final order of a court of competent jurisdiction declaratory of the right of the insured to full replacement cost, whichever shall last occur."

Objection 6

- Your Property Additional Protection, P-PAP-RE-VA, 06/23 (Form)

Comments: Refer to page 1, section 5. Fire Department Charges. Please amend this section to comply with §38.2-2130. The company must specifically state that there is, at a minimum, \$250 reserved for volunteer fire departments.

Refer to page 2, section 9. Building Improvements. Pursuant to §38.2-2124, the company must provide an endorsement to make the offer on fire insurance contracts that property will be repaired or replaced in accordance with applicable ordinances or laws that regulate construction, repair or demolition. This amount is an additional limit of insurance and must be offered at an amount equal to Coverage A or Building Additions and Alterations when Coverage A does not apply.

Please note, the offer may not include an exclusion for the costs to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, pollutants in or on any covered building or other structure. §38.2-2124 does not include permissible exclusions which is why the mandatory offer also may not include the exclusion.

Objection 7

- Water Back-Up Protection, P-WBU-RE-VA, 03/23 (Form)

Comments: The company must remove the lines, We do not cover any loss which results from your negligence. and The insurance provided by Water Back-Up Protection shall be excess The code which stipulates this offer of coverage, §38.2-2120.A, does not include this language and does not permit the company to state this coverage is excess.

Objection 8

- Did You Know That You Do Not Have Coverage For Water Backup?, X74405, 08/25 (Form)

Comments: Please withdraw this notice from the filing. The company is not required to file declarations pages, blank change forms, applications, or notices for approval. All forms which the company uses must contain the full contents of coverage pursuant to §38.2-305.

Conclusion:

Should you have any questions, or if you would like to discuss these issues, please feel free to contact me via email at erin.marchetti@scc.virginia.gov.
