Dear Deborah Larsen,

Introduction:

Thank you for your submission. We have conducted our review and the following issues will require your attention.

Objection 1

- Entire Rules Manual, Pages 1-26 (Rate)

Comments: 1. Pursuant to §38.2-1906, every rate must have a corresponding rule on file. Please amend the manual to ensure each rate is explained and included in the rule manual.

2. Refer to Rule 4. The company must amend this rule to clearly outline that the policy does in fact expire after one year and will continuously renew when the annual premium payment is made.
3. Refer to Rule 6. Please confirm if the company intends to waive premium of any sorts due to cancellation or changes to the policy?
4. Refer to Rule 10. Please amend the rule to include a statement that there is only one deductible applied per loss.
5. Refer to Rule 12. Please amend the rule to include information on how the company obtains location zones for properties that are not found by the third party, such as newly developed subdivisions.
6. Refer to Rule 15. The company must provide the credit model used.
7. Refer to Rule 15, page 15-2. The company must amend the rule to stipulate whose credit report would be used if there are multiple named insureds.

Please also amend the Exception section to clarify what specific exceptions the company might make for an insured or amend the entire section to include a blanket statement for any extraordinary life event and remove the specifics entirely.

Refer to B. Subsequent Policy Group Assignment. Please amend the second section to remove annually and replace with per policy period.

8. Refer to Rule 20. Amend the rule to include all variations of the installment plans the company offers.

Objection 2

- Entire Rate Manual Parts 1-7, Pages 1-29; 1-994; 1-711; 1-1157; 1-548; 1-1537; 1-1760 (Rate)

Comments: 1. Refer to page RP-1B. The company must either remove wildfire and NCOR Wildfire entirely from the rating or submit Virginia only wildfire actuarial data for further review.

2. Refer to page RP-3. The rate adjustment factor is currently neutral, it would be the Bureaus preference to have this removed entirely while it is not in use. The company may submit a filing in the future if they wish to implement a Rate Adjustment Factor. Please note, the Bureau would not accept a company to use a rate adjustment factor and a rate capping plan simultaneously.

TOI/Sub-TOI: 04.0 Homeowners/04.0004 Tenant Homeowners

Product Name: ANAIC REN

3. Refer to page RP-11. Please amend the Water Backup Coverage table to include a statement that full coverage must be offered equal to the amount provided under Coverage C.

Conclusion:

Should you have any questions, or if you would like to discuss these issues, please feel free to contact me via email at erin.marchetti@scc.virginia.gov.
