Filing Description:

With this filing, Allstate is proposing an overall -5.0% rate level change to the Allstate North American Insurance Company (ANAIC) Private Passenger Auto (PPA) program in the Commonwealth of Virginia.

The overall rate level change has been achieved through revision of the Rate Adjustment Factors and Base Fixed Expense Premium Part 1 and Part 2.

In addition, in SERFF filing ALSE-134375670, at the Bureau's request, Allstate committed to removing accidents of permissive operators from the accident surcharge program. Allstate has done this as requested, and this filing includes a rule revision to reflect that change. Please see the revised Rules manual provided with this response.

Further information regarding these changes can be found in the enclosed attachments.

These changes will apply to new business written on or after 1/26/2026 and for renewals effective on or after 2/26/2026.

Objection Clarification

Comments:

Hi Deborah,

I apologize for any confusion regarding the objection. With that being said, the Bureau reserves the right to always revisit or clarify handling, despite previous file acknowledgement, for continued compliance with the Code of Virginia. The Bureau understands the company may have previously not received these questions and we sincerely thank you for your time and objection responses.

1. The waiver of premium rule should not mention unearned premium or cancellation. 2. The rule should apply to both return premium and additional premium owed. 3. The rule should clarify that the insured must be notified that a return premium is available.

To answer your question, the company may remove the rule altogether.

If this brings up other questions, please let me know.

Many thanks,

Jeanne

Objection Clarification

Comments:

Good afternoon, Jeanne.

Regarding Objection 1, before making the requested revision to Rule 5.B, Allstate would like to seek clarification on what exactly the Bureau has in mind. This rule was revised in SERFF filing ALSE-134571388 at the request of the Bureau and was then approved for use, but is now being asked to be revised again. It is unclear to us what “changes that come about during the policy period” is referring to – would the Bureau have some suggested language to use for this that we can adopt if applicable? Alternatively, would the Bureau be open to us simply removing Rule 5.B altogether?

Thank you very much for your help.

Respectfully,

Deborah Larsen
