Objection Letter

Objection Letter Status	Info requested from Company
Objection Letter Date	12/05/2023
Submitted Date	12/05/2023
Respond By Date	01/10/2024

Dear Kimberly Snow,

Introduction:

As the company is aware, Virginia has minimum standards of content for policies written to insure owner-occupied properties. These minimum standards are contained in Title 14, Chapter 342 of the Virginia Administrative Code (VAC).

Virginia Code § 38.2-2108 allows insurers to file coverages, terms or conditions that are broader and more favorable to the insured than the minimum standards. However, portions of the company's forms and endorsement do not appear to represent coverage that is more favorable to the insured than the minimum standards and appear to be more restrictive. Please review the following which requires the company's attention. Please note, the company may not deem this filing approved until the Bureau has concluded their review.

Objection 1

- Home Policy - Virginia, P13711VA, 09012023 (Form)
- Premier Client Home Policy - Virginia, P13748VA, 09012023 (Form)

Comments: The objections are based on section references in the Home Policy but the amendments are the same in both forms.

1) Amend 4.d. on page 3 to include the amount earned is more than \$2500 during the policy period. The exclusion the company has added is not one specified by the minimum standards. The company must outline then in order to retain the exclusion the nominal threshold which if less was earned during the policy period, the exposure would not be a business.

2) 10.b) of Section II on page 3 must be amended to also include coverage for a residence employee when using a watercraft.

3) Amend 19. Residence Employee on page 4 to include the mention of the domestic services performed by a residence employee.

4) The 2nd paragraph of What Law Will Apply on page 5 must be removed.

The 2nd to last and last paragraphs of Where Lawsuits May Be Brought must be removed.

Both provisions violate §38.2-312.

5) The Bureau will allow the Arbitration condition to remain in the form but 1. through 3 must be removed. Otherwise the entire condition must be removed.

6) The company may certainly retain the coverage for the prevention of the spread of fire in A.3. on page 7, but the form must be

Project Name/Number:	/		

amended in A.5.j) to also include this exception to the exclusion.

7) The header in B. on page 7 must be amended to remove 'any.' The exclusions which follow may only be in connection with a direct loss exclusion header per the minimum standards.

8) B.1. must be removed on page 7. The company may exclude per the minimum standards for a direct loss caused by the neglect of the insured to use all reasonable means to protect the property during and after a loss.

This same amendment is required in B.1. on page 11.

9) Remove from B.2. 'who did not in any way cooperate in, or contribute to, the creation of property loss' on page 7.

This same amendment is required in B.2. on page 11.

10) Amend B.4.g) on page 8 to include the domestic animal is owned or kept by an insured.

11) The header to Coverage C,2. on page 8 must be amended to include the company will cover the property outlined in a) and b). Currently, the header does not complete the outline of the coverage being afforded.

12) Remove the exclusion which has been added to 13. on page 9. The company may not add exclusions to named perils per the minimum standards.

13) Amend 16. on page 10 to provide coverage back if a covered ensuing loss occurs as a result of the vacancy. This is an exception to the exclusion which is provided for in the minimum standards exclusions.

14) The company may certainly retain the coverage for the prevention of the spread of fire in A.3. on page 10, but the form must be amended in A.5.j) to also include this exception to the exclusion.

15) Remove from 1. Additional Living Expense in the paragraph where the limit is noted on page 11 'will be limited to the least of the following.'

Replace 'termination' with 'expiration.' This change is required also in 2. Fair Rental Income and 3. Civil, Government, And Military Authorities.

16) 5. Emergency Removal on page 11 must be amended to include the expiration of the policy does not limit the coverage.

17) 6. Fire Department Charges must be amended to outline the coverage is additional insurance.

8. must be amended to outline the limit of insurance is additional as well.

18) In the list of property which a building must fall on for coverage to apply in 11. Collapse on page 12, a) must be removed. If a named peril caused the collapse of one of the structures listed, the loss would be covered per the minimum standards.

Remove 'hot tubs and spas' from the Premier form.

19) The special limit for 17. Gravemarkers must be amended to outline the coverage is available to the insured for the property on or away from the residence premises.

If no limit will be applied to gravemarkers which are on the residence premises, the coverage must be amended to reflect the same.

20) Losses We Do Not Cover Under Coverage X, 1. must be amended on page 17 to remove 'who did not in any way cooperate in, or contribute to, the creation of the loss.'

The same amendment is required in 1. under Coverage Y on page 19

21) The company may not exclude coverage for all 'insured persons' in 2. on page 17. The exclusion is not applicable to 'insured persons' as outlined in Section II of the company's definition per the minimum standards.

22) Amend 18. on page 18 to also include coverage if following the orders of a licensed medical provider.

This same amendment is needed in 16. on page 19.

23) The obligation to apply for or furnish bonds applies only to bail bonds. Remove this limit from 1.d) on page 20. The limit of liability must also be removed. The company may only apply the bond limit of liability to bonds to release attachments.

24) Remove the requirement in 3.b)2) on page 20 the person causing the damage is 'you.' It is unlikely the named insured is the student away at college.

25) Amend 4. Our Limit of Liability on page 21 to include tor personal liability and medical payments, the limit of liability applies separately to each insured against whom claim is made or suit is brought for an occurrence but does not increase the limit of liability that applies to an occurrence.

- Additional Insured - Trust - Premier, P13750VA, 09012023 (Form)
Comments: Amend I.A.10.b) in section II to include 'watercraft.'

Objection 3

- Business Pursuits Coverage - Virginia, P13832VA, 09012023 (Form)
- Business Pursuits Coverage - Premier - Virginia, P13833VA, 09012023 (Form)

Comments: The endorsement must be amended to actually give the insured some level of coverage back. Currently the endorsement is adding more exclusions without clearly addressing the coverage provided, which is not permissible per the minimum standards.

The endorsement must first outline the coverage being provided, remove the base form exclusions and then isolate the exclusions added only in connection to the coverage provided by the endorsement.

Objection 4

- Dwelling In The Course of Construction - Virginia, P13830VA, 08012022 (Form)

Comments: When the company issues a policy on a dwelling which is in the course of construction, the dwelling limit of coverage must be the Coverage A amount for which the company has taken premium for.

The company may not place the amount of insurance on a sliding scale in proportion to the completed construction amount. The endorsement must be amended to remove this provision.

Regardless, the loss settlement conditions remain intact. If only 50% of the dwelling is complete, there is only 50% of damage which requires repair or replacement. Amend the endorsement accordingly.

Objection 5

- Extended Premises Amendatory Endorsement - Virginia, P13720VA, 09012023 (Form)

Comments: The company may not amend the base form definitions to remove required elements of the definitions per the minimum standards.

If this endorsement is used to identify another location, the definition of residence premises must be amended only to allow for the inclusion of the other location.

The company may not amend conditions either to include additional requirements pursuant to §38.2-2105.

It is not entirely clear what the company is attempting to achieve with this endorsement. If the company is attempting to provide some level of coverage for business, then the endorsement must more clearly outline that intent.

This endorsement requires revision or must be withdrawn entirely.

Objection 6

- Extended Premises With Home Sharing Protection Endorsement - Virginia, P13721VA, 09012023 (Form)

Comments: The company may not amend the base form definitions to remove required elements of the definitions per the minimum standards.

If this endorsement is used to identify another location or other structure where the home-sharing is taking place, the definition of residence premises must be amended only to allow for the inclusion of the other location.

- Extended Replacement Cost - Virginia, P13722VA, 09012023 (Form)

Comments: The company may certainly extend the replacement cost coverage for Coverage A and B but may not remove the coverage for Other Structures if not buildings. A.3) must be amended to still retain the coverage for other structures is subject to replacement cost. The company may still clarify though, extended replacement cost coverage does not apply.

Objection 8

- Functional Replacement Cost - Virginia, P13715VA, 09012023 (Form)

- Functional Replacement Cost - Premier - Virginia, P13749VA, 09012023 (Form)

Comments: 'Dwelling Or Other Structures Replacement Cost Reimbursement will not exceed the smallest of the following amounts:' must be amended entirely.

Per the minimum standards the company may outline the payment will be limited to:

- a. The limit of liability applicable to the dwelling or other structures;
- b. The amount necessary to repair or replace the property with functionally equivalent property at a lower cost than would be required to replace the property with material of like kind and quality; or
- c. The amount spent to repair or replace the dwelling or other structure or part of the dwelling or other structure intended for the same occupancy and use.

The company may only reference the minimum standards definition for functional replacement cost which details: the cost to repair or replace the damaged dwelling or other structures with less costly common construction materials and methods that are functionally equivalent to materials and methods used in the original construction.

Objection 9

- Golf Cart Coverage - Virginia, P13724VA, 09012023 (Form)

Comments: The company may only utilize this endorsement if the golf cart is being specifically scheduled. Amend the endorsement or it must be withdrawn.

Objection 10

- Extended Premises With Home Sharing Protection Endorsement - Virginia, P13721VA, 09012023 (Form)

- Home Sharing Protection Endorsement - Virginia, P13726VA, 09012023 (Form)

- Preferred Home Endorsement - Virginia, P13713VA, 09012023 (Form)

Comments: The company must reference the base forms for the amendments which are required in the same applicable sections utilized throughout this endorsement.

Objection 12

- Permitted Incidental Business Occupancy - Virginia, P13729VA, 09012023 (Form)

Comments: The company must amend the coverage section to outline the endorsement provides coverage for other structures from which a business is conducted. There is no exclusion to Coverage A per the minimum standards if a business is operated from the home. The endorsement must specify clearly the coverage being provided back for other structures.

- Water Back-Up Endorsement - Virginia, P13731VA, 08012022 (Form)

Comments: If the intent of the company through this endorsement is to provide the required offer of coverage pursuant to §38.2-2120, the limit of liability may not be an aggregate limit of liability per policy year. The company must restore the limit of liability after a loss. The company may not add conditions or limitations to the Code of Virginia.

Amend the endorsement accordingly.

Objection 14

- Preferred Home Endorsement - Virginia, P13713VA, 09012023 (Form)

Dear Jessica Baggarley,

Introduction:

Thank you for reviewing our filing.

Comments:

We have revised the paragraph to specify that certain systems/equipment are not considered plumbing systems or household appliances for that provision. We have added similar language to the freezing provision and tear out coverage.

2) 6. Fire Department Charges on page 11 must be amended to outline the coverage is additional insurance.

8. must be amended to outline the limit of insurance is additional as well.

Comments: 1) Remove the exclusion which has been added to 13. on page 9 beginning with 'or loss from water which backs up, et.al.' Dear Jessica Baggarley,

1. We have revised item 4.d) under the Business definition.
2. We have revised 10.b).
3. We have revised definition 19 to include domestic services.
4. We have removed paragraph 2 from the What Law Will Apply provision and the last two paragraphs of the Where Lawsuits May Be Brought provision.
5. We have removed the Arbitration provision.
6. We have added the exception to A.5.j).
7. We have revised the header to specify that we do not cover direct loss.
8. We have revised the exclusion to match the neglect exclusion per the minimum standards.
9. We have removed the last sentence and added but only with respect to that person.
10. We have created a separate paragraph h) to address animals owned or kept by an insured person.
11. We have revised the header.
12. This paragraph is used to clarify the applicability of this named peril to certain losses. We do not cover loss to the system or appliance from which water or steam escapes, nor is this named peril intended to cover water which backs up through sewers or drains or overflows from a sump pump, etc. ISO and competitors have also added language in order to clarify the scope of this named peril.
13. We have revised 16. to include ensuing loss language.
14. We have added the exception to A.5.j).
15. We have removed the requested language from the ALE provision and changed termination to expiration in all three provisions.
16. We have added the requested language.
17. In the additional protections section, we include language for those coverages that do not increase the limit of liability that applies to the covered property. This differentiates those coverages than those that provide additional insurance.
18. We have removed a) and restructured the section. We have also removed hot tubs and spas from Premier.
19. We have revised the provision to read on or away from your residence premises.
20. We have revised the exclusion in its entirety.
21. We have limited the bodily injury exclusion to you, resident relatives, and any resident under the age of 21 in your care.
22. We have revised the exclusion to read licensed medical provider.
23. We have revised paragraph 1.d).
24. The exclusion applies to students other than you. There are some degree programs (ie. weekend MBA or JD programs) that require a persons physical presence on campus, which would necessitate a short term stay on or near campus.
25. We have added a separate severability of insurance condition to the policy.

Comments: *The objections are based on section references in the Home Policy but the amendments are the same in both forms.*

1) Amend 4.d. on page 3 to include the amount earned is more than \$2500 during the policy period. The exclusion the company has added is not one specified by the minimum standards. The company must outline then in order to retain the exclusion the nominal threshold which if less was earned during the policy period, the exposure would not be a business.

2) 10.b) of Section II on page 3 must be amended to also include coverage for a residence employee when using a watercraft.

3) Amend 19. Residence Employee on page 4 to include the mention of the domestic services performed by a residence employee.

4) The 2nd paragraph of What Law Will Apply on page 5 must be removed.

The 2nd to last and last paragraphs of Where Lawsuits May Be Brought must be removed.

Both provisions violate §38.2-312.

5) The Bureau will allow the Arbitration condition to remain in the form but 1. through 3 must be removed. Otherwise the entire condition must be removed.

6) The company may certainly retain the coverage for the prevention of the spread of fire in A.3. on page 7, but the form must be amended in A.5.j) to also include this exception to the exclusion.

7) The header in B. on page 7 must be amended to remove 'any.' The exclusions which follow may only be in connection with a direct loss exclusion header per the minimum standards.

8) B.1. must be removed on page 7. The company may exclude per the minimum standards for a direct loss caused by the neglect of the insured to use all reasonable means to protect the property during and after a loss.

This same amendment is required in B.1. on page 11.

9) Remove from B.2. 'who did not in any way cooperate in, or contribute to, the creation of property loss' on page 7.

This same amendment is required in B.2. on page 11.

10) Amend B.4.g) on page 8 to include the domestic animal is owned or kept by an insured.

11) The header to Coverage C,2. on page 8 must be amended to include the company will cover the property outlined in a) and b). Currently, the header does not complete the outline of the coverage being afforded.

12) Remove the exclusion which has been added to 13. on page 9. The company may not add exclusions to named perils per the minimum standards.

13) Amend 16. on page 10 to provide coverage back if a covered ensuing loss occurs as a result of the vacancy. This is an exception to the exclusion which is provided for in the minimum standards exclusions.

14) The company may certainly retain the coverage for the prevention of the spread of fire in A.3. on page 10, but the form must be amended in A.5.j) to also include this exception to the exclusion.

15) Remove from 1. Additional Living Expense in the paragraph where the limit is noted on page 11 'will be limited to the least of the following.'

Replace 'termination' with 'expiration.' This change is required also in 2. Fair Rental Income and 3. Civil, Government, And Military Authorities.

16) 5. Emergency Removal on page 11 must be amended to include the expiration of the policy does not limit the coverage.

17) 6. Fire Department Charges must be amended to outline the coverage is additional insurance.

8. must be amended to outline the limit of insurance is additional as well.

18) In the list of property which a building must fall on for coverage to apply in 11. Collapse on page 12, a) must be removed. If a named peril caused the collapse of one of the structures listed, the loss would be covered per the minimum standards.

Remove 'hot tubs and spas' from the Premier form.

19) The special limit for 17. Gravemarkers must be amended to outline the coverage is available to the insured for the property on or away from the residence premises.

If no limit will be applied to gravemarkers which are on the residence premises, the coverage must be amended to reflect the same.

20) Losses We Do Not Cover Under Coverage X, 1. must be amended on page 17 to remove 'who did not in any way cooperate in, or contribute to, the creation of the loss.'

The same amendment is required in 1. under Coverage Y on page 19

21) The company may not exclude coverage for all 'insured persons' in 2. on page 17. The exclusion is not applicable to 'insured persons' as outlined in Section II of the company's definition per the minimum standards.

22) Amend 18. on page 18 to also include coverage if following the orders of a licensed medical provider.

This same amendment is needed in 16. on page 19.

23) The obligation to apply for or furnish bonds applies only to bail bonds. Remove this limit from 1.d) on page 20. The limit of liability must also be removed. The company may only apply the bond limit of liability to bonds to release attachments.

24) Remove the requirement in 3.b)2) on page 20 the person causing the damage is 'you.' It is unlikely the named insured is the student away at college.

25) Amend 4. Our Limit of Liability on page 21 to include tor personal liability and medical payments, the limit of liability applies separately to each insured against whom claim is made or suit is brought for an occurrence but does not increase the limit of liability that applies to an occurrence.

Response 3

Comments:

We have revised Business Pursuits Coverage Virginia (P13832VA 09012023), which will now be used for both our Home and Premier Home policies. We have restructured the endorsement and removed personal injury from the exclusions. We are respectfully withdrawing Business Pursuits Coverage - Premier - Virginia (P13833VA 09012023) at this time.

- Business Pursuits Coverage - Virginia, P13832VA, 09012023 (Form)
- Business Pursuits Coverage - Premier - Virginia, P13833VA, 09012023 (Form)

Comments: The endorsement must be amended to actually give the insured some level of coverage back. Currently the endorsement is adding more exclusions without clearly addressing the coverage provided, which is not permissible per the minimum standards.

The endorsement must first outline the coverage being provided, remove the base form exclusions and then isolate the exclusions added only in connection to the coverage provided by the endorsement.

Related Objection 4

Applies To:

- Dwelling In The Course of Construction - Virginia, P13830VA, 08012022 (Form)

Comments: When the company issues a policy on a dwelling which is in the course of construction, the dwelling limit of coverage must be the Coverage A amount for which the company has taken premium for.

The company may not place the amount of insurance on a sliding scale in proportion to the completed construction amount. The endorsement must be amended to remove this provision.

Regardless, the loss settlement conditions remain intact. If only 50% of the dwelling is complete, there is only 50% of damage which requires repair or replacement. Amend the endorsement accordingly.

Response 5

Comments:

This form would attach to policies where the dwelling located at the residence premises shown on the Declarations Page is a 2-4 family building and not a one family building. The definition of insured premises is also extended to include a 2-4 family dwelling being built as an insured persons residence under Section II of the policy. We have removed the changes to the What You Must Do After A Loss condition. Under the Loss Assessments additional protection, the insured premises is defined as the building occupied exclusively by your household as a private residence. For 2-4 family buildings, the endorsement changes insured premises to mean the building occupied by your household as a private residence.

Comments: The company may not amend the base form definitions to remove required elements of the definitions per the minimum standards.

If this endorsement is used to identify another location, the definition of residence premises must be amended only to allow for the inclusion of the other location.

The company may not amend conditions either to include additional requirements pursuant to §38.2-2105.

It is not entirely clear what the company is attempting to achieve with this endorsement. If the company is attempting to provide some level of coverage for business, then the endorsement must more clearly outline that intent.

This endorsement requires revision or must be withdrawn entirely.

Comments: The company may certainly extend the replacement cost coverage for Coverage A and B but may not remove the coverage for Other Structures if not buildings. Response 9

Comments:

We respectfully ask the Bureau to clarify the changes that must be made to this endorsement. In our original filing, we were asked to amend the endorsement by removing all sections of coverage which were already covered by the base form, which included property coverage under Coverage C and liability coverage when at a golfing facility and traveling to different parts of a golf cart. We revised the endorsement, which appeared to address the Bureaus concerns at that time. The revised endorsement grants liability coverage for a golf cart being used in a private residential community for those golf carts specifically described on the Policy Declarations.
