Filing Description:

In previous conversations with the BOI, primarily via SERFF Filing ALSE-134147380, Allstate committed to submitting a future filing in which the concern described below will be addressed. Please note that while the work on this has begun, we do not yet have all the details such as the exact timing for when the implementation of the changes will be possible, but we are working towards that as quickly as possible. We are opening this filing now as an informational-only filing and are intending to use it as a means of keeping the Bureau apprised and up-to-date on the details of the systems project as we have them.

1) The Bureau has required that rating Tier for these programs be revised. At the BOI's request, Allstate intends to revise rating Tier such that the variables years with prior carrier, prior BI limits, and indication of lapse (where applicable) are no longer used in rating after the initial 36 months.
