Filing Description:

With this filing, Allstate is proposing an overall 35.3% rate level change to the Allstate Indemnity Company (AI) Homeowners - Condominium (CON) program in the state of Virginia.

Allstate is proposing revisions to the following rating plans: Net of Cost Reinsurance Factor and Coverage A - Building Property. The overall rate level change has been achieved through revision of the Rate Adjustment Factor. Further information regarding these changes can be found in the enclosed attachments.

This change will apply to new business written on or after 12/2/2024 and for renewals effective on or after 1/16/2025.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/re-write is necessary.

Comment: In the company's next rule/rate filing, the Bureau requests that the company submit complete territory pages (including any mandatory deductible ZIP codes, reinsurance zones, or retained risk zones) for each of the four (Deluxe, Deluxe Plus, Condo and Renters) programs offered by the company. If the company wishes, it can make these updates in a separate rule/rate filing instead.

The previously filed material, some of which pre-dates SERFF, is not always properly headed to indicate to which program the territory definitions belong and reference several independent cities which have reverted to town status.

Dear Deborah Larsen,

Introduction:

Thank you for your submission. The following issues will require your attention.

Objection 1

- Manual Pages, RFP-4; RCP-1; SRP-2 (Rate)

Comments: SRP-2:

Per 14VAC5-342-40.A.2, Coverage A for Condos must have a minimum limit of liability of \$5,000. Amend the "Reduced Rate" section to note that Coverage A will not decrease below that point.

Objection 2

- Breakdown of Proposed Rate Change (Supporting Document)

Comments: Please clarify why Variable Package Premium on pdf page 41 has a positive selected change (37.8%) when it does not appear it has an indicated change (Noted as N/A but not referenced in the asterisk). The other items in the exhibit do not seem to individually suggest a supported 37.8% increase either.

Conclusion:

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov.

Sincerely,

Flora Worthington
