Filing Description:

With this filing, information is provided to support a 11.5% overall rate change (includes underlying rate change as well as the revision of the distinct charge to cover the hurricane portion of the net cost of reinsurance) in Allstate Indemnity Company (AI) for the Homeowners – Owner Occupied Homeowners (HO) program in the Commonwealth of Virginia. The net cost of reinsurance is equal to the expected reinsurance premium less expected reinsurance recoveries under the contract.

Allstate's revised reinsurance cost will be reflected by revising the Reinsurance Rate Adjustment Factor in the rate calculation for the Owners program. The revised Reinsurance Rate Adjustment Factor will apply to the calculation of the reinsurance charge for all policies and will therefore have the same effect as a reinsurance base rate change. Because the same Reinsurance Rate Adjustment Factor will apply to the calculation of all reinsurance charges, this filing will not change the relative level of the charges by zone, construction type, or deductible.

The proposed change to the Reinsurance Rate Adjustment Factor is 54.2%, which represents the impact to the distinct charge to cover the hurricane portion of the net cost of reinsurance in Allstate Indemnity Company for the Owners program in the Commonwealth of Virginia.

The overall rate level change has been achieved through revision of the Rate Adjustment Factor Reinsurance Rate Adjustment Factor and Max Deductible Credits. Further information regarding these changes can be found in the enclosed attachments.

This change will apply to new business written on or after 12/2/2024 and for renewals effective on or after 1/16/2025.

This filing company is closed to new business. Allstate has, however, supplied a new business effective date for special business cases. For example, to accommodate a new business policy in the same company to a policyholder that has been reinstated, or if a cancel/re-write is necessary.

Comment: In the company's next rule/rate filing, the Bureau requests that the company submit complete territory pages (including any mandatory deductible ZIP codes, reinsurance zones, or retained risk zones) for each of the four (Deluxe, Deluxe Plus, Condo and Renters) programs offered by the company. If the company wishes, it can make these updates in a separate rule/rate filing instead.

The previously filed material, some of which pre-dates SERFF, is not always properly headed to indicate to which program the territory definitions belong and reference several independent cities which have reverted to town status.
