Objection Letter

Objection Letter Status	Info requested from Company
Objection Letter Date	07/14/2025
Submitted Date	07/14/2025
Respond By Date	07/28/2025

Dear Kimberly Snow,

Introduction:

Thank you for your time and objection response. However, the following issues will require your attention.

Objection 1

- Home Rules Manual, Rule 63, Title of Forms (Rate)

Comments: Page 6-1:

As noted in the previous objection, insurers must file, in detail, all available payment plans including down payment options, installment options and fees. The company's current reference to different plans is not sufficient - the plans themselves should be filed. Amend the rule and define each plan option accordingly.

Objection 2

- Home Rates Pages, Home Premium Calculation (Rate)

Comments: Please provide an associated rate page for Diminution of Value displaying any associated factors.

Conclusion:

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov.

Sincerely,

Flora Worthington

Dear Kimberly Snow,

Introduction:

Thank you for your submission. The following issues will require your attention.

Objection 1

- Home Rules Manual, Rule 63, Title of Forms (Rate)

Comments: Page 6-1:

For installment plans with service charges, insurers must file, in detail, all available payment plans including down payment options, installment options and fees (Administrative Letter 1993-6). Amend the rule to note these options accordingly.

Page 20-2:

In the second sentence under B, amend "Once Annually" to "Once per policy term" in order to align with § 38.2-2126.

Page 61-7:

Please note it is no longer acceptable for the company to restrict writing the Water Back-Up endorsement to certain areas. Administrative Letter 2016-05 establishes that Tenant policies are subject to § 38.2-2120. Amend the 19 to align with the similar homeowners/condo language.

Page 63-1:

If the company is adding in the Diminution of Value factor, even as 1.00, please also submit an updated ROC and associated rate page with 1.00 factors.

PDF Page 85:

The edition dates for P13834VA and P13860VA appear to have switched. Please amend to show the correct edition date.

PDF Page 86:

Amend the edition date for P13751VA to reflect the updated form.

Conclusion:

Should you have any questions, please feel free to contact me at flora.worthington@scc.virginia.gov.

Sincerely,

Flora Worthington

In addition to revisions pertaining to the response below, we are revising previously filed documents as follows:

EIC Home Rate Pages

Home Territorial Relativity Factors (Forms HO3 & HNP5) were inadvertently filed with 4 decimal places instead of 3 decimal places in recently approved homeowners filing GMMX-134594249. Please see Home Rate Pages for changes.

Comments:

Included downpayment details in Rule 6, please see Home Rules Manual for more information.

This update was intended for informational purposes, to inform you that the corresponding pages have been revised based on our SERFF filing #: GMMX-134594249.
