Submitted Date	10/09/2025
Respond By Date	10/30/2025

Dear Kimberly Snow,

Introduction:

Thank you for your response and updating the manual. We have conducted our review and the following issue will require your attention.

Objection 1

- Auto Rules Manual, null (Rate)

Comments: Refer to Rule 20 Rating Tier Determination A.2. The company may not lock values in time and continue to rate for these values. Once an insured has been with the company for three years (36 months), the insured should be rated on their current tenure and receive the benefits for such. The insured may not continue to be penalized forever for prior limits. Please amend this rating tier to adjust for the insureds current information and this information must be used when the current carrier is more beneficial in rating.

Conclusion:

Should you have any questions, or if you would like to discuss this issue, please feel free to contact me via email at erin.marchetti@scc.virginia.gov.

Sincerely,

Erin Marchetti

Dear Kimberly Snow,

Introduction:

Thank you for your submission. We have conducted our review and the following issues will require your attention. Please also review the effective dates currently requested and submit a post submission update if the company needs to update the dates.

Objection 1

- Auto Rules Manual, null (Rate)

Comments: The Bureau requests the company submit a complete and updated rule manual with all pages. The manual on file currently has "National General, an Allstate company" logo on the pages and it must be removed as this manual is filed under Encompass Insurance Company.

Objection 2

- Auto Rules Manual, null (Rate)

Comments: Refer to Rule 20 - Rating Tier Determination A.2. Prior Bodily Injury Limit (Prior BI). It is unclear why the first paragraph is necessary when the prior carrier liability limit becomes irrelevant after 36 months insured with the company.

Conclusion:

Should you have any questions, or if you would like to discuss these issues, please feel free to contact me via email at erin.marchetti@scc.virginia.gov.

Sincerely,

Erin Marchetti

Dear Kimberly Snow,

Introduction:

Thank you for your submission. We have conducted our review and the following issues will require your attention.

Objection 1

- Auto Rules Manual, null (Rate)

Comments: 1. Refer to Rule 51 Household Composition Factors. The company must remove "but are not limited to the following" and the company must list all factors used.

2. Refer to Rule 55 Fixed Expense Premium. The company must amend Part 1 to be re-evaluated every three years at minimum, these factors may never be locked or frozen. Similar to the change previously requested in Rule 20, these factors must be rerun to account for updated information and changes to the policy.

Dear Erin Marchetti,

Introduction:

Response 1

Comments:

Rule 20 of the Auto Rules Manual and the Rating Tier Factor section of the Auto Rate Pages have been updated to incorporate Rating Tier improvements at every third renewal.

After three years with EIC, surcharges for Prior Lapse and Years with Prior Carrier 0-2 are removed. There are possible Rating Tier factor improvements based on Years with EIC and Current BI Limit. Also, there is no improvement for policies already receiving the best available Rating Tier factor.

Comments:

Prior Bodily Injury Limit (Prior BI) category continues to be used after 3 years. The only tier movement after 3 years is for policyholders with a prior lapse now receiving a discount for having 3 or more years with Encompass Insurance Company (EIC). Please refer to the Rating Tier table in the Rate Pages.

Dear Erin Marchetti,

Introduction:

Response 1

Comments:

1. Weve removed but are not limited and weve listed all the factors used to calculate the Household Composition Factors. Please see Rule 51 of the Auto Rules Manual for proposed changes.
2. Weve added that Fixed Expense will be re-evaluated every three years at renewal. Please refer to Rule 55 of the Auto Rules Manual and the Fixed Expense Rating Factors section of the Auto Rate Pages.

Related Objection 1

Applies To:

- Auto Rules Manual, null (Rate)

Comments: 1. Refer to Rule 51 Household Composition Factors. The company must remove "but are not limited to the following" and the company must list all factors used.

2. Refer to Rule 55 Fixed Expense Premium. The company must amend Part 1 to be re-evaluated every three years at minimum, these factors may never be locked or frozen. Similar to the change previously requested in Rule 20, these factors must be rerun to account for updated information and changes to the policy.
