Dear Kimberly Snow,

Introduction:

Thank you for your submission. We have conducted our review and the following issue will require your attention.

Objection 1

- Auto Rules Manual, TOC, Rule 6 (Rate)

Comments: The Bureau has concerns regarding the down payment options provided to policy holders. The company states "Lower down payment amounts from the billing options below may be offered to qualifying policyholders at the Company's discretion." The Bureau seeks to understand and requests the company update the rule to include a list of the specific qualifying factors that would provide certain policyholders a lower down payment option and/or list the specific qualifying factors that would require certain policyholders to pay a higher down payment. Please review Virginia Code §38.2-1904, which details requirements for rating to ensure rates and supplementary rate information are not unfair or discriminatory.

Conclusion:

Should you have any questions, or if you would like to discuss this issue, please feel free to contact me via email at erin.marchetti@scc.virginia.gov.

Sincerely,

Erin Marchetti

Dear Erin Marchetti,

Introduction:

In addition to revisions pertaining to the response below, we are also revising previously file document as follows:

EIC Auto Rate Pages

In the Premium Calculations section, we removed the Fixed Expense rating steps that rate on the expected lifetime of a policy.

Response 1

Comments:

The Companys discretion is only in reference to customers with a prior non-payment who had to pay in full. There are no set requirements for this exception which allows for customer service to override the full pay requirements in discretionary cases. Added a note in the rules clarifying the reference to discretion and that all downpayment options are available based on NB/RB and 6-month/12-month term only.
